Allied Guns Smash Chinese Attacks Believed Forerunner Of a New Enemy Offensive

Tokyo, June 28—(P)—Thundering Allied artillery today smashed a series of Chinese attacks which Lt. Gen. James A. Van Fleet warned may be forerunners of a new Red offensive in Korea.

The United Nations ground commander foresaw no major thrust immediately. But, he said on a tour of the fighting fronts, "the Chinese appear to be building up for another effort 'to overrun U. N. lines.'"

Neither Van Fleet nor the supreme Allied headquarters of Gen. Matthew B. Ridgway would discuss a Russian cease fire proposal.

Van Fleet said he knew nothing about it.

"Of course, in our hearts, we all want peace," Van Fleet said. "But we won't let up on the enemy."

Sharp fighting flared all across the central front as opposing armies continually probed enemy lines.

Heaviest action was near Kumhwa, where a Red battalion attacked a U. N. division last night. Allied artillery broke up the attack in the early morning hours.

Other attacks followed until daylight. All were smashed.

In the adjoining Kumson sector, two other Red battalions beat back Allied efforts to probe defenses in that Red buildup area.

The Reds are "continuing to defend stubbornly all across the front," Van Fleet commented. "This stubborn defensive attitude shows that they do not want us to go farther north."

And, he added, it "could be screening an attack buildup."

On a visit to all three corps in his eighth army, Van Fleet reported he found the morale high — unaffected by Red tactics or cease-fire talk.

In Tokyo, a spokesman for General Ridgway said both the supreme commander and Van Fleet had their orders and would not comment on any cease-fire until consultation with the American joint chiefs of staff.

One member of the joint chiefs of staff was brought under Communist fire during the day.

He is Adm. Forrest P. Sherman, chief of U. S. naval operations. Sherman was aboard the battleship New Jersey when Red shore batteries sent shells screaming across her deck.

It was the 133rd consecutive day that U. N. warships shelled Wonsan.

BODIES OF TWO GIRLS IN ERIE RESERVOIR

Erie, June 28—(P)—The bodies of two nine-year-old Erie girls, missing since yesterday afternoon, were found floating in the city reservoir early today.

Coroner Warren W. Wood said he will issue a certificate of accidental death by drowning for Sally Brace and Joyce Tirpak. Police are trying to determine how the girls got into the reservoir. It is surrounded by a ten-foot high fence.

Progress on New Structure Reported At June Meeting of Hospital Board

Building progress was reported at the June meeting of the board of directors of the Warren General Hospital held immediately following the annual meeting of the members of the Warren General Hospital Association.

A. E. Kinney, chairman of the building and grounds committee, reported that a good deal of work had been completed to date for the new wings of the hospital. All foundations have been constructed and water-proofed. All outside drains, sewers, ditching, et cetera, has been completed. The contractor reports that steel is on hand for the structural work and could be delivered immediately after the 4th of July.

The considerable volume of work completed to date cannot be appreciated by persons who merely drive by the hospital, as this work is nearly all under ground. However, within a month there should be structural steel work clearly visible to the whole community. It is a source of great satisfaction to the board of directors that this long-delayed project is making such fine progress.

The board of directors was informed that Dr. J. Walleck is coming from Erie, to take over the practice of Dr. Thomas McHenry in Sheffield. A complimentary letter from Dr. McHenry to the board of trustees was read and his resignation from the hospital staff accepted with regret.

Dr. E. J. Walleck was approved as a member of the hospital staff, subject to favorable action by the staff itself.

All of the current officers of the board of directors were re-elected to the respective offices, to-wit: R. Pierson Eaton, president; J. H. Alexander, vice-president; Glenn E. Stone, treasurer.

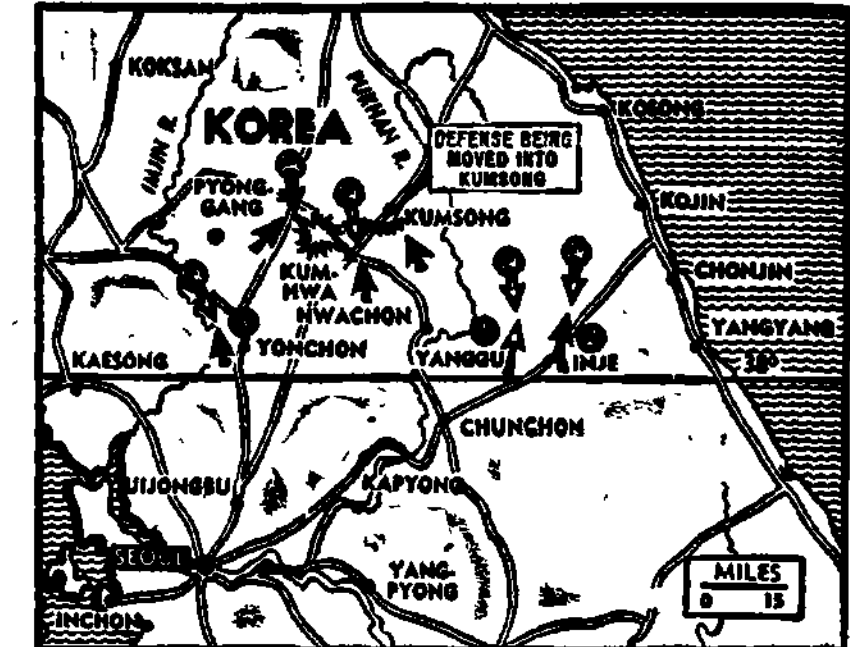

Mrs. D. E. Conaway, secretary.

The annual meeting of the Warren General Hospital Association was held in the Junior Nurses' Home at the hospital.

BOY VICTIM OF GRADE CROSSING ACCIDENT

RED DEFENSES STIFFEN—While Reds on east-central front prepared to move their defense line (jagged black line), below Kumsong back into the city, Allied units north of Yanggu (1) and Inje (2), in east, were slowed up by stiff Communist resistance. On central front, south of Pyonggang, apex of enemy's shattered "Iron Triangle," UN forces fought to hold strategically important hill. In west, above Yonchon (3), Allies were stopped by fanatically fighting Reds. UN bombers blasted (explosion symbols) Kumhwa sector.

New Series of Possible Taxes Develops In Dispute Over Assembly Deadlock

Harrisburg, June 28—(P)—A new series of possible taxes developed in speculation today around efforts to break the general assembly's tax-budget deadlock.

One proposal was reported to be a levy of two cents a bottle on soft drinks with the estimated \$55,000,000 revenue earmarked for veterans' bonus payments. That would be double the amount of the soft drink tax which was discarded on May 31.

The new tax possibilities came to the front as the tax-locked general assembly appeared headed toward becoming the longest session in 10 years.

The assembly started a 12-day recess until July 9 but discussions over the tangled tax-budget situation continued at the capitol. The deadlock developed weeks ago when the Republican majority in the senate split over Gov. John S. Fine's proposed state income tax.

A compromise senate committee of eight members went over the situation yesterday afternoon with Fine. The committee is composed of four administration supporters and four income tax opponents.

While members withheld details of the conference with Fine, they were reported to have discussed with him, in addition to the soft drink tax, these other tax possibilities:

Increasing the state inheritance taxes 50 per cent to raise \$20,000,000; doubling the present one-cent a pint beer tax to raise \$40,000,000; increasing professional license fees, \$5,000,000; raising liquor taxes two or three per cent to produce \$5,000,000; a 10 per cent tax on tobacco products, \$10,000,000.

The compromise tax committee held several meetings yesterday, including the conference with Fine, without reaching any agreement.

The committee met with Fine at the conclusion of its regular meeting yesterday, but Kephart said the meeting was merely to inform the governor of developments.

MARGARET HAS VISIT WITH POPE PIUS XII

Vatican City, June 28—(P)—Margaret Truman visited Pope Pius XII today.

The president's daughter was gowned and veiled in black as she walked through the ancient and splendid walls of Vatican Palace. Accompanying her was Msgr. Martin John O'Connor, titular bishop of Resina and rector of the North American College in Rome.

Stressing her brilliant costumes designed by Michelangelo, stood at attention and presented their ancient halberds as Margaret stepped into Clementine Hall, the first of the lofty chambers she traversed en route to the Pope's private library where she was received.

REJECT CONTRACT

Washington, June 28—(P)—Three operating rail unions today unanimously rejected the latest contract offer of the nation's railroads. Notice was prepared immediately to advise the Mediation board of the action of the three unions—the firemen, engineers, and conductors.

Galaxy of Outstanding Boat Racers To Compete in Program Sunday Afternoon

A galaxy of outstanding notable boat racers surpassing anything ever before witnessed in Warren will participate in the program scheduled by the Jaycees celebration committee for Sunday afternoon on the Allegheny river below the Hickory street bridge. The committee is in charge already at work erecting the platform, dock and other facilities that will be required to supervise the events.

The events will be run in four classes with drivers competing from Cleveland, Akron, Rochester, Dunkirk, McKeesport, Jamestown and other points. Among the contestants that have entered are the following:

From Dunkirk, N. Y.—John

Jesse, Art Messare, Joe Wallace, Fred Bieger and Joe Vacanti.

From Erie—Glenn Mathis, Rudy Lipinski, Fred Leffingwell, Russ Wilkins, Ralph Herd, Jack Kearney and S. Adams.

From Conneaut—Frank Stark, Fred Martin, Wilson Bates, Bud Dalrymple and Cash Brown.

From Jamestown—Ollie Johnson, Bob Johnson, Fred Westrom, Carl Johnson, Barney Carleton and Russ Brennan.

The committee requests the cooperation of all citizens planning to witness the show to use extreme caution to avert accidents. A public speaker system will be used to keep the crowds informed as to the progress of the contestants.

EXTENSION OF CONTROLS ACT IS APPROVED

Washington, June 28—(P)—The house banking committee voted 21 to 3 today for a 31-day extension of the present price control act.

The idea is to give congress more time to consider a new, revised law. Without congressional action to keep it alive, the present law will expire Saturday midnight.

Influential senators are fighting any such "stop-gap" move and there appears to be danger the Saturday deadline may arrive without a new law or any action to retain the old one.

In that case, the whole government control program would collapse.

The senate is driving to pass an entire new measure which would limit sharply the present control powers. But any new law must also have house approval. And a house-approved resolution extending the old law would accomplish nothing unless the senate agreed to it.

The house banking committee also approved a one-month extension of the federal rent control program and the president's authority to control imports of fats and oils.

The extension would keep them all on the books until midnight July 31.

Senator Maybank (D-S.C.) declared last night that several senators "intend to talk and talk" to kill any move in the senate for a stop-gap extension of the old law.

Such talk might easily turn into a filibuster and thus end any chance of final senate action before the present law expires.

JARDINE HILL

Erie, June 28—(P)—David W. Jardine, 65, president of Pennsylvania Electric Company, was reported in satisfactory condition today following a major abdominal operation at Hamot Hospital. Jardine underwent the operation yesterday. A hospital spokesman said he spent "a very good night and is not considered in danger."

Motorist Is Badly Hurt When Auto Falls Into River

Mrs. Cynthia Jimerson, of Onondaga, N. Y., is in Warren General Hospital today in serious condition, following a one-car accident about 6:30 p. m. yesterday in which the car she was operating ran over a bank estimated at 125 feet high and landed in the Allegheny river at the Complanter Indian Reservation. A passenger, Christy Pierce, also of Onondaga, was admitted to the hospital.

Mrs. Jimerson is suffering from possible fractures of the back, skull and left shoulder. In addition, she has lacerations of the right arm, lacerations of the right leg requiring six sutures, and multiple abrasions of the left leg and arm.

Pierce sustained injuries to his left arm and right hip and possible fractured vertebrae. He was admitted for observation.

Damage to Mrs. Jimerson's car, a 1937 Chevrolet, was estimated at \$100.

State police said that they were not called until about 10:30, but that road workers in the township discovered the accident and called them.

FAMILY TRAGEDY

Rogersville, Tenn., June 28—(P)—A truck sideswiped an auto here last night, killing Mrs. Harold Hetrick, 42, of Conneautville, Pa., and slightly injuring her husband and two sons. The family was returning home after visiting Pfc. Frederick Hetrick, 22, another son, at Camp Rucker, Ala.

High School Student Hurt Fatally When Hit By Fast Train While Riding Bicycle

Apparently ignoring the warning whistle sounded by the engineer in charge, as well as the blaring honking of an automobile horn and frantic screams of a woman eyewitness, Claude Crippen, aged 16, popular Youngsville High school youth, whose parents Mr. and Mrs. William Crippen reside on York Hill, rode his bicycle in the path of the speeding eastbound Pennsylvania Railroad flier 580, at the West Main street crossing leading to the old Pittsfield road last evening about 8:20 o'clock.

Eyewitnesses with the train crew rushed to the crumpled form of the youth, thrown about 50 feet against a utility pole, to find that death was instantaneous, a fear that was verified by a Youngsville physician who was rushed to the scene. A crushed skull, internal injuries and multiple fractures caused his death, according to Coroner Ed Lowrey who investigated the tragedy assisted by Chief of Police J. E. Chappel, of Youngsville.

Mr. and Mrs. Paul Ransom, 110 Second avenue, Youngsville, were in a car approaching the crossing from the west, directly behind the unfortunate youth. They reported to the officials that they observed the lad on the bicycle, and his attention seemed to be directed in the direction opposite from that from which the train was approaching. They said the locomotive whistle was being sounded; and when they feared the bicycle rider was in danger, Mr. Ransom started blowing the horn on his car and Mrs. Ransom screamed to the lad, but there was no indication he heard them.

Stanley Deshner, who resides just west of the crossing, reported to the officials that he was home at the time, and was attracted by the whistle being sounded on the train. Others in the vicinity at the time were Floyd and Robert Rex, RD 1, Pittsfield.

One eyewitness declared "He apparently never saw the train or heard it, until it was right on top of him. There was plenty of warning but he did not seem to heed it."

The conductor of the train was F. L. Maneval, 330 West Sixth street, Erie. Names of the engineer and fireman were not obtainable, but the former was quoted as saying that he observed the boy approaching the crossing but thought he was going to stop. He was sounding the whistle when the lad on the bike disappeared from his view in the cab, and he called to the fireman to ask if he reached the other side in safety, only to learn that the tragedy had occurred.

The officials were informed that Claude had been staying at the home of Dan Mourer, on the old Pittsfield road, about a mile west of the crossing. He had left there on his bicycle a short time before the accident, intending to ride to Youngsville. He had been employed by Clare Hendrickson, at the Gulf Service Station, and it (Turn to Page Fourteen)

Cost of Living In State at New High

Philadelphia, June 28—(P)—The cost of living in Pennsylvania—as in the nation—reached an all-time high on May 15, the regional office of price stabilization reported today.

The U. S. bureau of labor statistics in Philadelphia announced an average price increase of 0.3 per cent as of May 15 above the average for April. Foods led the upsurge with an increase of 0.7 per cent, 14.5 per cent higher than a year ago.

In Pittsburgh, the increase was 0.6 per cent for all commodities and 1.2 per cent for food. In Scranton, the average increase for all commodities was 0.9 per cent on May 15 above the figure three months earlier, with food up 0.7 per cent.

History Spins Backward 175 Years In Re-Declaration Planned at Philadelphia

Philadelphia, June 28—(P)—History spins backward 175 years this July 4 in a dramatic re-declaration of Independence.

It will be an elaborate birthday jubilee, with pageantry true in every detail, portraying the beginning of the American dream. And the stage for much of this naturally is Independence Hall, which houses the famed Liberty Bell and holds memories sacred to patriots.

The Declaration of Independence was born in this historic city, a great milestone in the country's fight for freedom in the days of George Washington, Benjamin Franklin and Thomas Jefferson.

Now it is being dedicated anew, in four full festival days next week, to an even wider concept of democracy—a world set free, delivered from all forms of tyranny. To Americans, torn by the anxieties of the times, this special

observance has deep significance. It was hoped that President Truman could be here one of the big days. Instead, he will address the nation from Washington on the Fourth.

Vice President Barkley is expected to attend. So are U. S. supreme court justices, cabinet members, many congressmen and representatives of foreign governments.

The gala program opens Sunday with "Freedom of Religion" services in the 1,600 churches in the Philadelphia area.

Also on Sunday the governors of the 13 states will tour the Colonial-Revolutionary war shrines. These include the Betsy Ross house, where the first American flag was made, and the Friends (Quakers) meeting house.

A four-hour Freedom parade is Tuesday's main attraction. Then comes the Fourth-Independence Day.

SNYDER ASKS THREE BILLION MORE TAXES

Washington, June 28—(P)—The Truman administration today asked the senate to add about \$3,000,000,000 more to the House-approved boost in individual income and excise (sales) taxes.

Secretary of the Treasury Snyder told the Senate Finance committee the \$7,200,000,000 tax hike voted by the House is insufficient, because it threatens to put the government in the red and add to inflationary pressures.

Congress, he insisted, should provide at least the roughly \$10,000,000,000 in extra taxes asked by President Truman originally—and should aim chiefly at individual income and excise taxes for the \$3,000,000,000 addition to the House tax bill.

The House measure would raise individual income taxes by 12½ per cent to provide an extra \$2,847,000,000 in yearly revenues. Excise taxes on gasoline, tobacco and many other items would be boosted by varying amounts to bring in \$1,252,000,000 more annually.

Snyder was the leadoff witness as the Senate committee opened hearings on higher taxes, using the House bill as the cornerstone of its deliberations.

Snyders also repeated a demand for a tougher capital gains tax—the levy on profit from property sales—and a tightening of "loopholes" in the tax system, partly by reducing tax-reducing privileges of the oil and coal industries and by stiffening rules on taxing family partnership set-ups.

Indictment of Pittsburgh Mayor Is Recommended

Pittsburgh, June 28—(P)—A special grand jury probing vice and official corruption has recommended the indictment of Mayor David L. Lawrence, six of his Democratic administration employees and three lighting firm officials.

The jury made the recommendation yesterday after a two-month investigation of a city contract with Broadway Maintenance Company of New York to install more than \$1,000,000 worth of street lights.

The grand jury, which lacks the power to indict, recommended that a regular Allegheny county grand jury return true bills for:

Lawrence, Edward R. Frey, city controller; Alexander R. Brunwasser, city utilities consultant; Leo I. Shapiro, assistant city solicitor; James S. Devlin, director of public works; William Driscoll, director of supplies; Morris L. Wolf, chief of the mechanical division and Jesse Cohen, Sidney Lipkins and Joseph G. Lipkins, all officials of the New York firm.

The presentment referred to the city contract as one of the "most deplorable and shocking chapters in the history of the city of Pittsburgh."

The probing body accused Lawrence of misdemeanor in office. It said Lawrence failed to see that the company fulfilled its contract with the city.

The company attorney, Cohen, is accused of bribery and conspiracy to cheat and defraud the city. The Lipkins are accused of bribery.

The jury alleges the company billed the city for 11,758 street lights it never installed at a cost of about \$75,000.

Some Sections of State Are Flooded

Small streams overflowed their banks in some sections of Pennsylvania today causing thousands of dollars' property damage and forcing evacuation of families in low lying areas.

The floods followed heavy rainfall last night and early today. The heaviest damage was reported in Greensburg where Jack's Run and Zeller's Run overflowed their banks. Water flowed into the four buildings of the Imperial Lighting Company which suffered nearly \$500,000 damage in a similar flood June 13. Today's damage will not approximate that although police sergeant Michael Popson said it will be heavy.

Other plants suffering flood damage at Greensburg were the American Glass Company and the Walworth Company.

Rear Admiral Dennison Arriving In Warren Some Time During the Evening

A telegram has been received by the celebration committee of the Warren Jaycees from Rear Admiral Robert L. Dennison, presidential aide, advising that he plans to arrive at Jamestown tonight at 6:30 o'clock, that he will come to Warren later in the evening, and will be present to deliver a brief speech at the dedication ceremonies at War Memorial Field Saturday evening. The admiral says he will be in Warren only until Monday.

Admiral Dennison will be met at Jamestown by his mother Mrs. L. W. Dennison and sister Miss Barbara Dennison, Market street, who will be accompanied by Mrs. J. A. Rockwell, also of this city. The party will have dinner in Jamestown before continuing to Warren.

This will be the first visit of Admiral Dennison to Warren in four years, when he was then a captain, and the occasion is one that adds tremendous interest to the Saturday evening program scheduled by the Jaycees. Born in Warren he attended the public schools here and later spent one year at Kiskimetas, going from there to the United States Naval Academy where he graduated in 1923. Since that time he has taken many post graduate courses, and in addition has received numerous honors for outstanding service in naval and civilian activities.

He was commander of the famous U. S. Battleship Missouri for a time, during which he skipped the vessel on the historic trip made to Brazil by President Truman, and it was after that voyage that the chief executive picked him to be his naval aide.

The dedication Saturday evening will be preceded with a concert by the VFW band beginning at seven o'clock. W. E. Rice, president of council, will preside, and an appropriate program is being arranged by a committee composed of representatives of Veterans' organizations and the Jaycees.

The public is cordially invited (Turn to Page Fourteen)

Sylvania to Open Factory in Ohio

Sylvania Electric Products Inc. today announced it will open a new plant at Nelsonville, Ohio, this week for the manufacture of welded lead in wires for lamps, radio tubes and other electronic devices.

The new plant will be in charge of Carl Albrecht, a foreman in the welding division of the Warren plant.

Arthur L. Chapman, vice president in charge of Sylvania's radio and television and parts divisions, said the company has leased an existing factory building in Nelsonville on a temporary basis and will begin operations there within a few weeks.

The city of Nelsonville plans to begin construction soon on a modern industrial plant and when that is ready for occupancy, Sylvania will shift its operations to the new building.

It is expected the new plant will employ approximately 100 persons. The output from the plant, in addition to supplying many of Sylvania's customers in the mid-west, will help to supply a portion of the needs of Sylvania's lamp and tube factories.

Pastor at Ludlow Takes New Charge

Ludlow, June 28—The Rev. Harman Davidson, pastor of First Mission church, has announced his resignation and acceptance of a call to the Mission Covenant church of Johnsonburg and Wilcox.

His decision is received with regret by his parish and the entire community. Mrs. Davidson has also resigned as principal of Ludlow public schools, a move which is likewise much regretted.

Pastor Davidson, who will preach his final sermon August 19 and leave immediately for his new parish, came to serve the Ludlow church in January 1948, coming from Lacey Park Community church in a Philadelphia suburb, where he was also associated with the Christ Home for Children.

Mrs. Davidson was a resident of Halboro and teacher in the junior high school at Wyncote. She became local principal two years ago.

Student News

Bernard G. Ackert, former resident of Warren, is presently attending the graduate school of the Eastman School of Music, University of Rochester, N. Y. A '49 graduate of Baylor University, Waco, Texas, Mr. Ackert has spent the past two years in San Antonio, Texas, where he was a member of the San Antonio Symphony orchestra and minister of music at the Baptist Temple.

Mr. Ackert hopes to complete his master of music degree by June '52, after which time he will enter the music teaching field. His wife and two sons are residing in Warren this summer.

Red Cross Officials Deeply Concerned Over Failure to Meet Blood Donor Quota

When the Red Cross Mobile Unit visited Warren on Monday, 103 pints of blood were collected. Warren's quota for this visit was 150 pints.

Chapter officials were at a loss to account for the fact that 90 persons who had appointments failed to keep them and 23 others cancelled at so late an hour as to make it impossible to get replacements. At the same time officials are deeply appreciative of the 103 persons who actually donated blood and to the 37 who for some reason were rejected. A total of 235 persons were scheduled and 20 dropped in without appointments.

Miss Christine Harbour, regional director of the Blood Bank Program, stated yesterday that Warren borough has only once met the quota assigned at the time of the Blood Mobile visit, and that never has it been so far short of meeting its quota.

Chapter officials feel that those who did not appear have some plausible reason. They feel certain that these people and many others will keep their appointments when the unit makes its next visit in Warren within the next month.

Grateful acknowledgement is made to the following companies and markets: Ralph's Market, Patchen's Market, City Ice and Beverage, Walker's Creamery Products, Anderson Baking Co. and Smith-Horton, who furnished, without charge, items of food, etc., so necessary to the operation of the canteen.

The following volunteer workers gave valuable assistance: Mrs. Julius A. Fino and Mrs. Phil W. Coyle, registered nurses; Anne DeFrees, Mary Craft, Mrs. Beecher Rutledge and Mrs. Lewis Jamieson, scheduling committee; Mrs. M. H. Deardorff, Mrs. H. D. Steber, gray ladies; Mrs. Sidney Blackman, Jr., Mrs. Stewart Beckley, motor transportation; Jerry McConnell, Douglas Ostergard, David Glasman, Jack Timm, George Hesch, Boy Scout Troop No. 9.

Our attention has been called to the fact that a series of articles explaining in detail the complete workings of the Blood Bank Program will start in these columns shortly. It is felt that these will be most instructive. Perhaps a more thorough understanding of the program will bring an end for all times to the apathy as shown during this visit.

CARS COLLIDE
Three persons were injured and damage estimated at upwards of \$400 was caused when cars operated by Lee Peoples, of Youngsville, and O. W. Paulson, of Westleyville, collided on East Main street in Youngsville about 9:20 o'clock last evening. Caroline Haight, a passenger in the Peoples car, was treated at the office of Dr. Knapp for a lip laceration; Paulson was also treated for sprains of the back and neck, and Peoples sustained a knee injury. The accident occurred when Peoples, proceeding east, attempted a left turn into Church street in front of the Paulson car, going west. Peoples told Chief of Police Ed Chappel that he was watching a youngster on a bicycle riding nearby, and did not notice the westbound car.

DIVORCES GRANTED
Judge Allison D. Wade yesterday granted seven divorces in the last of a two day session of divorce court. One case was continued. Those granted went to the following: Winifred A. Lindberg vs. Melvin R. Lindberg; Lawrence A. Anderson vs. Mary Alice Anderson; Beatrice Miller vs. Leroy Miller; Joseph L. Whyte vs. Barbara Whyte; Lorraine Lane vs. Gordon D. Lane; Beatrice H. Cobb vs. Tyrus R. Cobb; and Elvera J. Brinkley vs. Harry E. Brinkley.

BURGULAR APPREHENDED
Deputy Sheriff Sandy Secor and State Police yesterday arrested Ray Baker, 26, of Franklin Star Route. Baker, lodged in Warren county jail, will be charged today with burglary and larceny of a quantity of brass fittings from the warehouse of the Northern Ordnance Company at Grand Valley last Friday night. Baker admitted taking 180 pounds of machined brass parts, officers said. Baker will be arraigned sometime today.

ARREST MADE
Sheriff L. E. Linder returned Frank Kasko, 25, of New York City, from Mayville, N. Y., about 2:30 a. m. today on a charge of assault and battery preferred by his wife, Elizabeth. The alleged assault took place while the couple were stopping at a local tourist home. Kasko was apprehended in Mayville and local authorities notified. He will be arraigned before Justice Tracy M. Greenlund today.

LEG INJURY
James Blasio, aged 6, of Buffalo, who is visiting his grandfather, Frank Mitchell, 37 Glade avenue, was given emergency treatment at Warren General Hospital yesterday afternoon when he fell and suffered lacerations of the right leg. The youngster was discharged after application of five skin clips to the wound.

FIRE CALL
All fire equipment rolled on a box alarm to the home of E. M. Allen, 123 Pennsylvania avenue, west, at 3:45 p. m. yesterday. There was no damage from the fire, caused by ignition of a box of crackers left in the oven of the kitchen range. Firemen used a CO2 extinguisher. Loss was one box of crackers.

Attendance First Week Sets Mark For Playgrounds

With a record first-week attendance of 8,838 for the six playgrounds it is anticipated new highs will be set in activities at the recreation areas in the borough this summer. Mrs. Ines Rudolph, director, reminds that children may bring their lunch and dinner and stay all day at Beaty, Crescent and Memorial Field grounds, which remain open during lunch and dinner hours.

More than 1,000 youngsters attending the various play spots in the borough Tuesday were pleasantly entertained by Senor Ubaldo Corpus, native of the Philippines and currently representative of the Duncan Company, manufacturers of the increasingly-popular yo-yo.

A number of accomplishments which may be attained through proper handling of the yo-yo were demonstrated, with hints and instructions freely given by Senor Corpus.

Director Rudolph indicates a contest will be staged when the youngsters become more proficient and a Duncan yo-yo will be awarded as a prize, with the compliments of the manufacturer.

Mrs. Rudolph also announces softball leagues are being organized, tournaments and contests, also handcraft, will be introduced. One of the special features will be a father and son horseshoe pitching contest. The playground welcomes parents and would like to have more of them in attendance at the various play areas.

Honor for Warren Boy in Yokohama

Word has come from Yokohama, Japan, that Captain Frank Carlton Gay, son of Mr. and Mrs. C. O. Gay, 118 North Carver street, has been awarded the Commendation ribbon, with metal pendant, having "distinguished himself by meritorious service" as ordnance accountable officer in the Yokohama Command's Ordnance Section.

Captain Gay entered the armed services in May, 1941, and has been in Japan for nearly three years. It is understood from his correspondence the decoration referred to above was given for unflinching service which he rendered in section at the outset of the Korean hostilities.

He is serving with the Central command and has with him in Japan his wife, the former Mildred Nelson of Warren, and their four year old daughter, Leslie.

IRVINE

Mr. and Mrs. N. B. Huling and their weekend guests, Mr. and Mrs. Merrill Huling of Erie, spent Sunday at the home of Monroe Huling in Salamanca, N. Y.

Mr. and Mrs. Ross Walters entertained a party of friends Saturday evening at their cottage at Sulphur Springs.

Mr. and Mrs. Otto Bliss helped Mr. and Mrs. William Sweetland entertain friends of both families at the Sweetland home in Pleasant township Saturday and Sunday, all motoring to Erie Sunday afternoon.

Mr. and Mrs. Harry Nulph and family, Scotch Hill, were recent guests of their son, Leigh, and family. Sunday guests at the Nulph home included Mr. and Mrs. Bert Boyd, Sheffield; Mr. and Mrs. William Overbeck, Sigel. Margaret Nulph returned to her home in Scotch Hill after a week's visit at her brother's home.

Harry Redick spent the weekend at his home in Fisher.

CONGRATULATIONS . . . DR. HYER

We are glad to add our felicitations to the hundreds that are being extended today to Clarendon's outstanding citizen and member of the medical profession, Dr. I. G. Hyer, who is being honored on the occasion of his having completed fifty years of service in administering to the sick and needy, most of which time was spent in the section where he is revered by every one who knows him. As a doctor, surgeon and public-spirited citizen, Dr. Hyer has served both his fellow man and his community during an outstanding career extending over half a century.

The lives of countless hundreds of persons have been prolonged by his skill in medicine. His is the story that represents the way of life in this country. He came from a small village and settled in another, where he has served faithfully, conscientiously, tirelessly and many times without thought of compensation.

RURAL ELECTRIFICATION

This year the nation's electric power industry will be celebrating the achievement of bringing electricity to 95 per cent of the farmers of America, and we pause for a moment of nostalgia for candlelight and the oil lamp.

"The disparity between rural living conditions and urban living conditions is fast disappearing," says Allan B. Kline, head of the Farm Bureau Federation, in commenting on rural electrification.

But something else will be disappearing, too. For the dwellers in cities and towns, the "disparity" Kline talks about was something to sort of look forward to when we visited Grandma on the farm, or took off for a summer at the cottage by the lake.

In the evening, the warm and sometimes flickering glow of the kerosene lamps gave off a pungence of its own, as much a part of the country flavor as a field of timothy baking in the sun. At bedtime, the candle that lighted your way upstairs (and sometimes also lighted an extra hour's forbidden reading) helped remind you of the day's soft shadows and cool fragrance in the piney woods.

Well, the oil lamps seem to be going out in rural America now. Life in the country will be brighter, and electricity will make the chores easier. But we can't help noticing that the catalogs still show old-fashioned hurricane lamps, and oil lamps with curving, graceful chimneys. Most of them have wires and bulbs nowadays, but if you lean back and try real hard, maybe you can catch a faint whiff of kerosene.

DISTINGUISHED CITIZEN COMING

It is pleasing news indeed for everyone in Warren and vicinity to learn that officials of the Junior Chamber of Commerce have received assurance from Rear Admiral Robert L. Dennison, naval aide to President Truman, that this outstanding citizen will be here for the dedication ceremonies scheduled for Saturday evening at War Memorial Field.

Rear Admiral Dennison, son of Mrs. L. W. Dennison, Market street, is Warren's foremost citizen and we are fortunate that the chief executive of the United States has made it possible for him to have the opportunity to take the time from his important duties to come "home" and participate in the elaborate program the Jaycees have arranged in observance of the 175th anniversary of the signing of the Declaration of Independence.

Now that Admiral Dennison has assured the committee that he will be here for the dedication nothing should be left undone by those in charge of the celebration, along with all residents of the community, to show him that the "old home town" not only is conscious of the honor he has brought to Warren, but appreciates the important place he holds in the affairs of the nation and the world.

According to reports the two things most needed by those in charge of the Fourth of July celebration are floats and finances, although those in charge are hopeful that both will be forthcoming in sufficient quantities as to assure the success of the observance. Enter floats by coupons appearing in the Times-Mirror, and send checks to "Jaycees Cele-

Here And There

Perusal of a photograph album containing snapshots taken during the mammoth Flag Day and Warren Centennial Parade June 14, 1932, makes interesting as well as refreshing pastime, since it reminds of the great interest taken generally by industries, clubs, societies and lodges in the event which was declared at the time to have been the most successful ever witnessed in Warren. According to the rotation in which the pictures are placed in the album the parade formed something like this: "Uncle Sam and Escorts," Warren police officers; marshal, chief of staff and liaison officer, marshal first division; Warren VFW band; Company I, 112th Infantry; Civil War veterans in cars; speaker of the day, the Rev. Martin Aigner, Franklin; United Spanish War veterans, walking; Betsy Ross and Flag, D.A.R. float; "Old Time Quilting Party," D.A.C. float; Market Street Reading Club float; firemen's display, Descendants of Ancient & Honorable Artillery Co.; old barouche coach, Woman's Club; old Ludlow coach; Spanish War Veterans auxiliary, float; Ladies of the G. A. R.; Division II, marshal and aides; Warren American Legion Drum Corps; Chief Cornplanter Post, American Legion; Marconi Society and Sons of Italy, marching units; American Legion Float; Colonial Ladies, Legion Auxiliary; "School Days of Long Ago," float by College Women's Club; "Mother of Men," Woman's Club; "America's Old Guard," VFW float; Marshal Division III; "Our Heroes," VFW auxiliary; "Chief Cornplanter and His Braves," L.O.O.M. float; "Mother's Day and Old Age Pension," Fraternal Order of Eagles; Division IV, George Sarvis, marshal; Howard Marker on old-time high-wheeled bicycle; Salonika Sanatorium Drum Corps, Jamestown, N. Y.; "Then and Now," Walker Creamery Products Co.; "Modern School room," Zonta Club; "Voters - - - 1832-1932," Republican Women; "The Silhouette Cutter," C. D. of A.; "The Founding of the First Evangelical Church," Division V, Robert MacKay, marshal; St. Mary's American Legion Drum Corps; Boy Scouts of America; Girl Reserves; P. H. C. uniformed team; Warren Mail Carriers; "Be Kind to Animals," Humane Society; "Activities of Girls in 1832 and 1932," Girl Scouts;

Defense Dept. Out to Justify Big Civilian Employment

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—Department of Defense has finally found out where all its 1,504,000 civilians are employed. Army has 622,000 of them, Navy 563,000 and Air Force 319,000.

Giving a detailed breakdown on where Army, Navy and Air Force have their civilian employees scattered all over the country and the world would be too statistical and take up too much space. But a broader classification can be given to show what the principal job classifications are for these men behind the men in the round-number combined totals for the three services:

Supply system, handling military stores . . . 324,000
Maintenance and operation of Army camps . . . 250,000
Operation of air bases, with plane overhaul . . . 247,000
Operation and repair in naval shipyards . . . 94,000
In ordnance stations, servicing and testing . . . 87,000
ammunition and explosives . . . 87,000
Administration of the \$60 billion defense program all over the world . . . 79,000
Technical instructors at service schools . . . 60,000
At military and naval hospitals . . . 55,000
Finance disbursement and military pay . . . 28,000

THE above nine categories add up to 1,224,000 civilians employed to operate and maintain the military establishment. But that ain't all. Still farther behind the lines are another 280,000 civilians employed on production and procurement of military supplies. They add up to:

Government arsenals and navy yards manufacturing weapons . . . 164,000
Research and development on new weapons . . . 77,000
Care of government industrial reserve plants and tools, and industrial mobilization . . . 9,500
Defense public works construction . . . 4,500
Office of Defense Secretaries . . . 2,000
Civilian instructors at staff colleges . . . 1,000
Handling National Guard matters . . . 22,000

The big argument on government employment of civilians in the military establishment is whether private business could perform some of these services on contract at a saving to the taxpayer. Taking all arms production out of government arsenals and navy yards, for instance, would cut down civilian employment by ten per cent.

THE armed service heads claim this would be more costly in the long run. Army and Navy have built up working forces of special technical skills over the years. Breaking up these organizations would mean that all the 164,000 employees would have to be transferred to private employment, or new labor forces developed. The government manufactures none of its own aircraft, however.

The effort to cut down civilian employment in the military establishment is to be carried forward on several fronts. President Truman, in a new directive letter to all agencies, has instructed them to save manpower wherever possible.

The Citizens' Committee for the Hoover Report on government reorganization has just appointed a new group to exert pressure on all agencies to modernize their personnel policies.

The armed services themselves have made some effort to reduce the number of uniformed personnel on non-combat duty. But when they cut down a uniformed man or woman with a civilian, they

"Help the Milk Fund," Warren Relief Society; "In the Gymnasium," Warren YMCA; "Pioneer Days in Warren," Boy Scouts; "Old Time Raft," Model Clinic, Child Health Center; Division VI, S. E. Walker, marshal; Oil City Salvation Army Band; Old Time hand-fire pump; old Rufus P. King pumper; Wetmore Hose Co. and parade cart; members of the Wetmore Hose Co.; Fire fighting equipment, U. S. Forestry Service; Fire Fighters, U. S. Forestry Service; Warren Park Department; "Washington Crossing the Delaware," Elks Lodge; Blue Stocking Club in old Jameson car; "Many Long Years Ago . . . And Now," Warren Plumbing and Heating Co.; "The Old Oaken Bucket," Commonwealth Laundry; "Watch - Us Grow," Emblem Oil Company; Wetmore Farms; Team of Oxen.

These were some of the outstanding floats and their sponsors, with no mention being made of some marching delegations. The list is printed with the idea in mind that it may contain suggestions for local industries or organizations to adopt, since it is not too late for floats to be entered in the parade next Wednesday.

This 'N That: The area will be well represented at Cleveland stadium this week when the Indians battle the Tigers with single games scheduled Friday night and Saturday afternoon, and a double header Sunday. . . . The Corry Journal reports the laying of the underground cable for the electric scoreboard at Loveland Field has been completed, and plans finished for the erection of a permanent press box at the field before the opening of the 1951 season. . . . And that reminds us, something should be done about building a press box and broadcasting booth at War Memorial Field for use this fall. . . . Columbus Grange will go to Chandelers Valley for a traveling Grange session with the Columbus officers filling the chairs for the meeting. . . . Commemorating the 250th anniversary of the landing of Antoine de la Cadillac at Detroit, the Post Office Department will issue a special three-cent stamp at Detroit July 24, announcing the stamp will be available at the Philatelic Agency, Post Office Department, Washington 25, D. C., and mail orders to the agency should contain only one order for prompt shipment. . . . Several Oil City men interested in keeping organized baseball alive there, have formed a "100 Club." . . . Racing under the lights will be launched this evening at the Dicky-Ben Speedway at Starbrick, and from all reports a big crowd will be on hand for the excitement.

Post and Gatty, daring American airmen, landed in Siberia today, way ahead of schedule. They will leave for eastern Siberia, a distance of 350 miles over the Bureya mountains.

A group of leaders and older campers under the direction of R. W. Gardner, camp director, left for Stow, N. Y., to put the camp site in readiness for the campers who will follow next week. Those who have already left are Melvin Smith, David A. Smith, Jr., Jack Logan, Richard Tranter, Robert Schindler, Edward Jefferson, Robert Wheelock, Willard Wineriter and R. W. Gardner.

The Ripley "Believe It Or Not" cartoon yesterday carried a drawing of Prof. B. G. Burt, Warren, who played the piano continuously for 205 hours and 47 minutes—five thousand musical selections from memory.

Roy M. Moore has announced that he is a candidate for the Republican nomination for sheriff. Mr. and Mrs. William Muir, Fourth avenue, have arrived home from St. Petersburg, Fla., and will spend the summer here.

War Bulletins: Smashing victories are claimed by Russia. Nazi spearhead in Polish buffer zone is reported routed.

The Women's Auxiliary of the Warren County Medical Society will have a picnic and outing at the summer lodge of Dr. and Mrs. M. V. Ball on Yankee Bush. On the committee are Mrs. T. K. Larson, Mrs. Quay McCune and Mrs. A. F. Yerg.

WPA work in this community will be affected by the recent announcement of Lt. Col. Philip Mathews, state administrator, that the Pennsylvania quota has been cut to 63,000, a reduction of 25,000 for the state.

Only a rule limiting the number of prizes to one to each player prevented Marshall Parshall, local veteran golfer, from walking off with a handful of awards at the Plus Forty Club tournament at the Conewango Valley Country Club.

County Tuberculosis Society Reports On 1951 Patch Test and X-Ray Survey

Following is a report on the findings of the Warren County Tuberculosis Society in its 1951 patch test and x-ray survey:

A total of 8,862 persons were contacted in the spring patch testing and x-ray survey program of the Warren County Tuberculosis Society. This is approximately one-fifth of the population of Warren County.

In order to save unnecessary x-ray costs the patch test was given to 4,401 grade school children and teachers with 181 positive reactors. In addition close to 4,500 per-

sons were x-rayed, all free of charge.

The x-rays were read by Dr. Albert Eberly of the Warren General Hospital and his findings are as follows:

35—cases of pulmonary tuberculosis, arrested.

22—cases of disease that were suspected of being tubercular but further study is necessary to definitely evaluate.

9—persons had tubercular lesions whose activity could not be evaluated.

87—individuals showed calcification that indicated an old tubercular infection that has healed and is of no significance at this time.

16—individuals showed exaggerated markings that would necessitate further study to rule out tuberculosis—a greater majority of these will probably prove negative on subsequent observation.

10—cases of unresolved pneumonia were found, occasionally one of these will prove to have a tubercular basis.

42—individuals showed evidence of old pleurisy.

37—individuals showed evidence of enlargement of the heart thought to be of no clinical significance.

4—patients showed signs suggesting pulmonary cancer.

4—individuals revealed lesions that could not be classified and demand further study.

The following findings were of little clinical significance:

19—cases of scoliosis of the spine.

15—anomalies of the ribs.

10—cervical ribs.

5—anomalous development of the lung.

2—pulmonary emphysema.

3—calcification of the pleura.

1—pulmonary fibrosis.

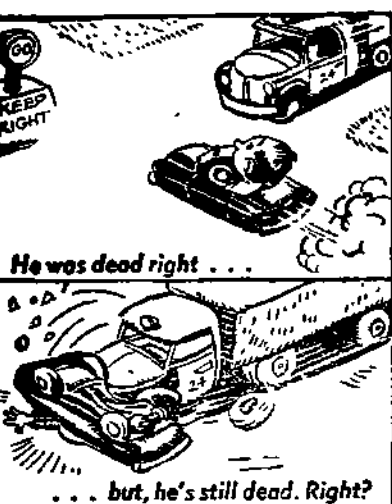

Of the 191 positive patch test reactors x-rayed, 13 showed up in the above listings, and of these only 2 were tuberculosis suspects.

Reports have been mailed to each person x-rayed, and the reports listed above have been sent to doctors named on the patient's registration card. If your report has not been delivered call 2724.

The cooperation of the public in the interest of better health is appreciated. This program is made possible by the sale of Christmas Seals which is the only source of income for the support of the local society.

A sincere "thank you" to all who assisted in any way.

TODAY is pay day for all the folks who have classified ads.

Utilities Executive New President of Kiwanis Int'l

Delegates attending the 36th annual convention of Kiwanis International at St. Louis elected a prominent public utilities executive to head the organization in the year ahead.

Officers of the Warren Kiwanis Club were informed today that Claude B. Hellmann, lighting department manager of the Consolidated Gas, Electric Light & Power Company of Baltimore, would succeed Don H. Murdoch, Winnipeg, Manitoba, as president of Kiwanis International, which now is comprised of 3,300 clubs throughout the United States, Canada, Alaska, Hawaii, and the Yukon Territory.

CLAUDE B. HELLMANN
Hellmann is also vice-president of the Arlington Federal Savings and Loan Association and president of the Roland Park Apartment Company of Baltimore.

A Kiwanian for 27 years, the new president will assume office August 1. During the past year, he served as vice-president of Kiwanis International. Previously, he had been an international trustee and governor of the Capital Kiwanis District, comprised of the District of Columbia, Delaware, Maryland, and Virginia.

Delegates to the St. Louis convention, which drew an adult attendance exceeding 10,500 men and women from all sections of this country and Canada, also elected two vice-presidents, a treasurer, and six trustees.

Vice-presidents are Donald T. Forsythe, Carthage, Ill., publisher of the Hancock County Journal, and Larue F. Smith, Niagara Falls, N. Y., president of the Canada Spirilla Corporation.

Walter J. L. Ray, Detroit, Mich., president of the Standard Savings and Loan Association of Detroit, was elected treasurer of the organization.

Trustees elected for two years include Reed C. Culp, Salt Lake City, Utah, Earl B. Smith, Fairmont, W. Va., Don E. Engdahl, Spokane, Wash., Raymond W. Robbins, Athens, Tex., Orrin F. Crow, Columbus, S. C., and W. Donald Dubau, St. Louis, Mo.

JACOBY ON CANASTA

MELDING EXTRAS MAY COST YOU

BY OSWALD JACOBY
Written for NEA Service

"Why do you say that it practically never pays to add a card to a completed canasta?" asks Milwaukee reader. "If you have more cards than the opponents, you can well afford to gather in the extra points from melding your extra cards. Why hold on to them and get caught with them at the end?"

I don't really advise holding on so long that you are bound to get stuck with your extra cards. However, if you had a choice between automatically melding extra cards

and automatically holding them up—I would advise you to hold them up.

After all, how much can it cost you to hold up such a card? Suppose it would count ten points in your favor if melded, but ten points against you if unmelded. The difference is twenty points. If you have ten such cards, your caution has cost you only 200 points. This is a mere bagatelle.

Now see what can happen if you are unwise enough to meld your extra cards just to get the credit for them. Let's take a typical situation in which an experienced player (not a foolish beginner) might make this mistake. Suppose our veteran has about ten cards, while everybody else

has only four or five cards. His cards include a couple of black threes and two or three other safe cards. He decides to add two aces and two kings to canastas of those ranks. Then he discards a black three.

The opponents make one or two safe discards and then one of them freezes. The hand is fairly well advanced, and each player has a short hand. They expect to discard safely until the stock has run out—and they are likely to succeed.

The melding of those four extra cards has cost our veteran the killing that he could have scored. He will still win a moderate victory on the hand, but he might have given the enemy an unmerciful drubbing if he hadn't been in such a hurry.

Suppose he had kept the ten cards in his hand. The opponents, with four or five cards each, would not dare freeze against a ten-card hand. They were almost sure to freeze against a six-card hand. A player who ties himself up and puts the axe into his enemy's hand has nobody but himself to blame if the result is sharp and unpleasant.

Jointure Plan Is Given Approval by Directors in Corry

Corry Journal: The Corry Board of Education Tuesday night stamped its approval, if a few minor revisions are made, on the proposed jointure plan covering jointure of six area school districts.

At the same time the local board agreed to accept payments from the five rural districts next year on a tuition basis in order not to impose a financial hardship on them. The shortage between the tuition payments and those required under jointure will be repaid to the Corry district over a three-year period by the rural districts.

The other five districts, Wayne, Concord, Columbus and Spring Creek townships and Elgin, are scheduled to ballot on the agreement this week and it is hoped to submit the final contract to state

education authorities at Harrisburg before July 1 in order to qualify for increased financial aid in the next school year.

In other routine business at the meeting, the last of the current school year, the board also approved payment of several bills and routine fund transfers within the budget.

A revised school calendar for 1951-52 calling for a longer Easter recess was also approved. The new calendar is as follows: school opens, September 5; Northwestern Pennsylvania State Education Association, October 15; Thanksgiving recess November 22 and 23; Christmas vacation, December 21 to January 1, inclusive; Easter vacation, April 11 to April 20, inclusive; Memorial Day, May 30; Commencement, June 4; schools close, June 6.

CHANGED CAPITAL

Manila no longer is capital of the Philippine Islands. President Quirino signed a bill designating Quezon City, 10 miles northeast of Manila, as the new capital.

Children's Day Services Are Held At Corydon Church

Corydon, June 26—Children's Day exercises were held Sunday in both the Methodist church and the Church of the Nazarene. At the former, the young people's choir featured the activities; Sunday school students presented a fine program at the latter edifice under the direction of Rev. Viola Doverspike. Mrs. B. M. Stoltz, Edith and Geraldine Crooks.

The Women's Auxiliary of the fire department held its regular meeting in IOOF hall, conducting routine business. Owing to the small turnout, plans for settling accounts of the recent festival and furthering carnival plans was set aside until further notice.

Mrs. Eugene Crooks was hostess to members of the Foreign Missionary Society. The time was spent quilting, following a tureen dinner. Thirteen members attended.

Mr. and Mrs. Keith Cox and daughter, Lana, Washington, D. C., are vacationing with her parents, Mr. and Mrs. Stanley Platt. Mr. and Mrs. Lloyd Smith were in Klondike over the weekend to attend a farewell party for Mr. Bush.

Mayme and Nellie Marsh, Warren, were dinner guests of Teresa Marsh.

Mr. and Mrs. William H. Bowles, Hampton, N. J., left Monday following a weekend stay with Captain and Mrs. A. C. Dysart, South Valley.

Celebration Notes

All children, and especially those residing in the vicinity of War Memorial Field are urged and warned not to handle or damage in any way the decorations that will be placed the next few days around the Lexington avenue entrance. Stephen Massa has generously donated the work of trimming the entrance, and in addition rented the material at some expense, and must reimburse the company for any destruction that occurs.

All members of the Jaycees and interested volunteers are reminded of the social get-together this evening at War Memorial Field beginning at six o'clock and continuing until dark. This is important, and it is also emphasized that every one is expected to adjourn from the field to the American Legion Home for the important meeting of the general committee.

Ben Kinnear and Jack Barr have the parade orders complete, and plans are being made for the first publication Friday of this week.

Among new entries for the parade received today are the "Kordion Kids" band directed by Mrs. Dorothy Engstrom, and the "Music for Americans" pupils from the Engstrom studio.

The committee urges every person in Warren and surrounding communities to plan to be at War Memorial Field Saturday evening at seven o'clock, as a tribute to one of the most outstanding citizens ever to represent the community in national and world affairs.

Pennsylvania State Nurses will be in charge of the first aid room in the Penelec building on the morning of the Fourth and until after the crowd disperses following the parade. Nurses from the State Hospital will be in charge of the first aid station at War Memorial Field in the afternoon.

The next big event on the schedule is the Koaster Klassic in North Carver street starting at one o'clock Saturday afternoon. Last evening's weighing in and

trial runs attracted a second largest crowd.

Work of preparing for the boat races on the river Sunday is proceeding "between showers" with those in charge reassuring everyone that things will be in readiness for the big event.

Plenty of work is cut out for the boys between now and Saturday afternoon with every assurance that they will be prepared to start every event on schedule.

In the meantime the campaign to raise needed finances continues unabated by the Jaycees along with the many other important projects that must be completed before the end of the week. Don't wait to be solicited. Make that check out to "Jaycees Celebration Fund" and mail to Drawer 59, Warren Post Office.

Byron Swanson, director for the chorus to be heard during the vesper services Sunday evening at Beatty field, has called a rehearsal of the combined choir this evening from seven until eight o'clock at the First Methodist church. Anyone interested is cordially invited to attend and participate. Adelaide Swanson will be the accompanist.

Ben Kinnear announces that the parade caps furnished through the courtesy of Al Minelli, are now ready for distribution and may be had by celebration workers desiring to use them in some of the early events.

Musical Is Given By Lutheran Circle For Upsala Chapel

Ludlow, June 28—The Lutheran Circle sponsored a highly successful concert and art exhibit at the church as a benefit for the Upsala Chapel Fund.

The presentation was also in the nature of a midsummer celebration for the community, with 150 persons present to enjoy the beautiful program given for the most part by Upsala students of the surrounding area.

Program numbers included an organ and piano prelude, Susan Anderson and Delores Johnson; invocation, remarks and benediction Pastor Hans Pearson; two selections, "Jacob's Ladder" and "My God And I," by Moriah choir; vocal solos by Shirley Bloomquist and Richard Johnson; violin numbers, Frederick Johnson; clarinet solo, Lloyd Johnson; piano selection, Bertel Johnson.

Accompanists were Bertel Johnson, Wilcox; Joanna Johnson and Mrs. Enoch Nelson, Ludlow; accordion music, Mrs. William Hanson and Mrs. Ed Wenstran.

Frederick Pearson, Kane, and Neal Johnson, Ludlow, were the ushers.

The art exhibit, loaned to the circle by Miss Emma Wenstran, Jamestown, a former resident of Ludlow, attracted everyone. Miss Wenstran has studied for only two years and has startled everyone with her talent and ambition, a living proof that "life begins at forty" even though handicapped. She used the pastel medium for her beautiful and very colorful landscapes and nature studies included in this collection. She has

pastels on exhibit in several nearby cities, it is reported.

Refreshments and accordion music were enjoyed on the lawn, with tables beautifully appointed and colored lights adding to the pleasing effect.

Mrs. Melvin McCleary, president of the circle, had the following as her committee chairmen: Mrs. John G. Johnson, Mrs. William Hanson, Miss Tillie Olson, Miss Edith Larson and Mrs. Evert Johnson.

Corydon Resident Is Birthday Guest

Corydon, June 28—On Monday afternoon, Mrs. Rubie Day was guest of honor for a very pleasant party given in observance of her birthday anniversary and held at Carl and Emily's Coffee Shop.

A surprise affair, the guests assembled early and, upon arrival of the honored one, greeted her by singing the "Happy Birthday" song. She received many attractive gifts, including a corsage and a beautifully decorated cake.

Also received during the festivities were a message of congratulation from Dr. Ivan Day and a personal telephone call from Dr. James Day, her sons in Detroit, Mich.

After a pleasant social time, ice cream, cake and coffee were served at tables centered with garden flowers.

In attendance were Mrs. Blanche Kennedy, Miss Lucia Browne, Mrs. Ray Wilcox, Mrs. Fred Neely, Mrs. Mary Black, Mrs. George Akers, Mrs. L. J. Learn, Mrs. L. R. Stryker, Mrs. L. J. Whyte, Mrs. George Black, Mrs. Marshall Wilcox, Mrs. P. E. Tome, Mrs. Joe Black, Mrs. Emily Swanson and Mrs. Nell J. Caldwell.

Brickner - Kolpien Nuptials Read In Emporium Church

Elizabeth Jean Kolpien, daughter of Mr. and Mrs. Henry G. Kolpien, 102 East Second street, Emporium, and formerly of Warren, chose a gown of white marquisette and lace and carried white roses for her marriage on June 16 to Donald F. Brickner, son of Mr. and Mrs. C. E. J. Brickner, Munhall.

The double ring service took place at 3 p. m. in St. John's Lutheran church in Emporium, the Rev. John Fey, Bradford, officiating. Mrs. Glenn Engstrom, Warren, presided at the organ for a 15-minute prelude and accompanied Mrs. Arthur Wagenknecht in two vocal numbers. Altar candles were lighted by Wyman Haskins, Wapakoneta, O., cousin of the bride.

Given in marriage by her father, she had as her matron of honor her sister, Mrs. William Engstrom, Ottawa, O.; as bridesmaids, Joyce Haskins, her cousin from Juneau, Wis., and Ann Kolpien, her younger sister. Completing the bridal party were Ronald L. Brickner, as his twin's best man; William Engstrom and Richard Brickner, ushers; Tommy Stempel, cousin of the bridegroom from Homestead Park, as ring bearer.

The bride's gown was styled with lace bodice and lace inserts in the skirt, which flowed into a cathedral train. A matching lace cap held her fingertip veil. Her attendants wore white embroidered organdy over taffeta in yellow, blue and pink, and had bouquets and headbands of daisies in contrasting shades.

The reception followed immediately in the church parlors, Janet Tritt and Carol Somers, Warren, presiding at a table decorated with a bride's cake, white tapers in silver holders, and silver service.

Mr. and Mrs. Brickner will reside at 22 Franklin street, Greenville, where the former is employed. He is a graduate of Munhall

High and Thiel College. Mrs. Brickner, graduate of Warren High School, attended Thiel and has been employed in the government relations office of the Sylvania in Washington, D. C.

Irvine Presbyterian Group Plan Outing

Thirteen members attended the June meeting of the Irvine Presbyterian Ladies Union, held at the home of Mrs. Forest Nichols, when the group decided to sponsor a church family tureen picnic at Wilder Field at 6 p. m. Thursday, July 26. In case of rain, it was voted, the affair will be held in the NFO clubhouse.

Mrs. Munson conducted the business session, when best wishes for a speedy recovery were expressed for Mrs. Paul Nicklas and Mrs. Harry Gillespie, absent because of illness.

Devotions consisted of the Lord's Prayer and scripture reading and the topic for the evening, "Taking Time To Live", stressed the importance of enjoying one's home, several members giving readings. Members were reminded the August meeting will be at the home of Mrs. Harry Gillespie.

BETHEL LADIES AID

A large attendance is hoped for at the meeting of the Ladies Aid of Bethel Evangelical United Brethren church, to be held at the home of Mrs. Ethel Harriger, 14 North South street, at 7:30 p. m. Thursday. Mrs. Orrie Tuller will be the leader, while assisting hostesses will be Mrs. Frank Collins and Mrs. Delbert Werle.

Tennessee, which grows between 430,000 and 700,000 crates yearly, is the second-ranking strawberry producing state in the Union.

Leon Christiansen And His Bride Are Living In Warren

Mr. and Mrs. Leon E. Christiansen, who were married Saturday, June 16, have returned from a wedding trip through the Adirondacks and New England States and are at home to friends at 112 Water street.

The bride is the former Fay O'Hare, granddaughter of Mrs. Fay O'Hare, Titusville, a graduate of Titusville High School and attended Edinboro State Teachers College. She has been employed in the offices of Universal-Cyclops Steel Corporation.

Mr. Christiansen, son of Mr. and Mrs. Einer J. Christiansen, 16 North Irvine street, is an alumnus of Washington and Jefferson College and Massachusetts Institute of Technology and is employed by Sylvania Electric as a mechanical engineer.

Their wedding took place in First Presbyterian church, Titusville, the Rev. Richard Shannon Graham reading the service at 1:30 p. m.

Wearing a white net ballerina gown with Chantilly lace redingote and fingertip veil of illusion attached to a helmet-like headpiece trimmed with seed pearls and crystal beads, the bride carried an arm bouquet of white roses, larkspur and daisies, centered by a white orchid with blue leaves.

She was given in marriage by her uncle, W. Robert O'Hare, Pittsburgh, and had as attendants Mrs. Kenneth Christiansen, sister in law of the bridegroom, as her matron of honor; Patricia Moran and Doris Lindley, as bridesmaids. They wore net gowns with Chantilly lace boleros in yellow and blue and carried fan-shaped bouquets

MRS. WILLIAM ALLEN CARTER, II.

Trinity Memorial church was the setting yesterday afternoon for the marriage of Jean Lampe Crossett, daughter of Mr. and Mrs. William Follmer Crossett, to William Allen Carter, II, son of Mrs. Mildred Allen Carter.

The altar was beautifully decorated with vases of white delphinium, gladioli and snapdragons, while at each end of the chancel rail were large floor baskets carrying out the same flower motif with a banking of rhododendron foliage. At each pew were white gladioli tied with white satin ribbon.

Preceding the ceremony, Miss Jean Robertson, organist, played a recital of music by Schumann, Mendelssohn and Widor, and Mrs. Harland Rue, II, sang Schubert's "Ave Maria" and Barnaby's "O Perfect Love."

The ceremony was performed by the Rev. Beecher M. Rutledge, assisted by the Rev. E. Pinkney Wroth, II.

Given in marriage by her father, the bride wore a gown of beautiful hand-clipped Chantilly lace and nylon tulle over ice blue satin; long sleeved, with a snugly fitted bodice, a deep cluster of nylon folds creating a becoming portrait neckline and a redingote skirt of lace over a full nylon skirt forming a chapel length train. Her fingertip veil of imported illusion lace fell from a tiara of orange blossoms and her bouquet was a cascade of white delphinium and stephanotis centered with a white orchid.

Mrs. Alden Johnson, Buffalo, N. Y., the matron of honor, wore a strapless ballerina length gown of mauve marquisette with a deeper shade duster. Miss Ann Crossett, sister of the bride and maid of honor, was similarly gowned in American Beauty marquisette. Each completed her ensemble with a small headdress and face veil sprinkled with matching flowers and carried crescents of lavender and purple delphinium. Miss Jill Johnson, Buffalo, was the flower girl. She wore a floor length frock of pink marquisette over rose taffeta and carried a white basket filled with pink sweet peas, Garnet roses and blue delphinium.

Ensign Harland Rue was best man for Mr. Carter; ushers were Dr. Lane Wroth, Jack Harrington, and John Robertson, a cousin of the

bride, and Allen M. Langhans, Jr., cousin of the bridegroom.

Mrs. Crossett wore a ballerina length gown of nylon net in a cocoa brown shade, with a corsage of rubrum lilies pinned to a small brown purse. Mrs. Carter chose light blue marquisette with full pleated skirt, ballerina length, and cocoa brown accessories. She, too, pinned her corsage of varied shades of blue delphinium to her purse.

Immediately following the ceremony, a reception was held at the Woman's Club. Vases of white larkspur and blue delphinium and mantel arrangements of carnations, snapdragons and peonies made a beautiful background for the bridal party.

The wedding dinner was served in the auditorium, with music furnished by Orrie Beebe and his orchestra. The bride's table, highlighted by a banking of Scheffleria palms and tropical plants, with large floor baskets of peonies, delphinium and larkspur at either side, had a beautiful centerpiece of white roses and snapdragons and was draped with garlands of smilax and gardenias. The table at which the immediate family was seated was also done in white, while other tables had lovely arrangements of daisies, larkspur and roses in pastel hues.

After their wedding trip, Mr. and Mrs. Carter will be at home at 20 Sunset Drive, Alexandria, Va. For her going-away costume, the bride chose a dark brown suit with natural linen accessories and wore a purple-throated white orchid corsage.

Both young people are graduates of Warren High School. Mrs. Carter attended Beaver College and graduated from Katharine Gibbs in Boston. Mr. Carter received his bachelor of science degree in electrical engineering from Lehigh University. He is now preparing to instruct a course in topographical computing at the Engineer's School at Fort Belvoir, Alexandria, Va.

Out of town guests at the wedding were Mr. and Mrs. Allen Johnson, Jill Johnson, Mr. and Mrs. Alexander C. Thompson, Jr., Buffalo; Mrs. Ernest Loftquist, Ann Loftquist, Mrs. Robert Capell, Pittsburgh; Carl William Hull, Johnstown; Mrs. Curtis Shanahan, Chagrin Falls, O.; the Rev. and Mrs. Pinkney Wroth, II, Alexan-

dria, Va.; Mrs. Francis Ericsson, Cleveland, O.; Mr. and Mrs. Emil K. Meacham, Dr. Lane Wroth, Baltimore, Md.; James Yerkes, Williamsport; William MacLeish, Penbridge, N. Y.; Mr. and Mrs. Herman Faquin, Mr. and Mrs. Alfred Jones, Marilyn Jones, Mr. and Mrs. Allen Langhans, Jr., Mr. and Mrs. Melvin Swanson, Mr. and Mrs. Carl Henderson, Mr. and Mrs. Conrad Brunko, Mrs. Carrie Metcalfe, Jamestown, N. Y.; Mrs. Mary MacDonald, New York City.

Celebration Queen to be Selected With Appropriate Ceremonies Saturday Night

The celebration queen and her court will be selected at ceremonies scheduled to take place Saturday evening in front of the municipal building, following the dedication exercises planned earlier in the evening at War Memorial Field. Judges for the selection will be Cliff Taylor, well known Erie Times columnist; Clare Swisher and Arch Bristow, who write daily for the Erie Dispatch Herald, along with Jerry Keefe and John Hart, officers of the James-town Chapter of the Junior Chamber of Commerce.

Admiral Robert Dennison, naval aide to President Truman, who will speak at the dedication exercises, will consent to place the stars on the fortunate young lady. Almost thirty valuable gifts have been offered local merchants to the queen and her court. These include: Lane cedar chest, Waxman's; portraits, Kofod Studio; gown, Betty Lee; gown, Berts; gown, anonymous; blouse, Jean Frocks; corsages, Virg-Ann Shop; table lamp, Montgomery Ward; vanity lamp, Bartsch Furniture; traveling case, Hanna Motors; Olympic O'Niter, Blomquist; pair shoes, Triangle store; 12 pair nylon hose, Penney Co.; white hat and gloves, S. S. Kresge store; Parker pen and pencil set, Kinnears; nylon playsuit, (Korest of California), Grace Aberg; nylon slip (Mary Beron), three pair NoMend nylons, Steins; permanent and hair styling, Rheta LaJole; plane tour over Warren, Welton Air Service; lunch, Blue & White; breakfast, Home Spun Inn; theatre tickets, Warner Bros.; electric popcorn popper, Turner Radio Shop; convertible escort, Warren County Motors; float, Keystone Garage of Warren; corsages for parade, Victor Offerte; gasoline for queen's car during celebration, Motor Lighthouse.

Women Golfers to Have "Open Day" Tourney on Friday

Women golfers of the Conewago Valley Country Club will hold an "Open Day" Friday and will have as guests golfers from Chautauque, Bradford, Kane and the Moonbrook Country Club of Jamestown.

Tournament play will start at 9 a. m. and luncheon will be served at one o'clock. Mrs. Louise Stewart will act as official hostess.

The weekly tournament of two-ball-best ball yesterday was won by Mrs. Paul Fisher and Mrs. William Moore, with a low net of 70. Tied for second place were Mrs. Follmer Yerg, Mrs. Lyle Knapp, Mrs. R. Z. Morrison and Mrs. Henry Marymont, with low net of 75.

Mrs. Wendell Lawson won the low gross for the field and links were taken by Betty Jane Branch in the first division; Mrs. William Moore in the second, and Mrs. Follmer Yerg in the third.

Mrs. Homer Culbertson has lowered her handicap and will now be playing in the first division.

Because of the Fourth of July holiday, next week's play, a flag tourney, will take place on Tuesday, followed by a sandwich luncheon.

FOR BRIDE-ELECT
Sugar Grove, June 28—Miss Dorothy Miller, whose marriage to Darwin Curtis will take place next Saturday, was complimented with a variety shower given at the home of Mrs. Marvin Thorpe, with Mrs. Carroll B. Stockton assisting.

The evening was spent with games, for which prizes were awarded Hazel Ann Miller, Mrs. Russell Thompson, Mrs. Rudy Burkholder and Mrs. Stockton. Miss Miller was remembered with many nice gifts and dainty refreshments were served by the hostesses.

ENGAGEMENT
Mr. and Mrs. Clair White, Titusville Rd 1, have announced the engagement of their daughter, Evelyn Marie, to Sgt. Donald L. Wilkinson, son of Mrs. Bertha Wilkinson, Spring Creek, and Roland Wilkinson, Erie.

Miss White attended Colestock High school and Sgt. Wilkinson was a student at Youngsville High. In the Air Corps for more than three years, he is on leave following duty in the Pacific theatre and expects to be stationed for the present at Bolling Field, Washington, D. C.

LARSON AND PEARSON FAMILY GATHERING
The 30th annual reunion of the Larson-Pearson families was held June 24 at the farm home of Mr. and Mrs. Virgil Williams, on the Kiantone road at Akeley, with 80 persons in attendance. Officers elected to serve in the coming year were: Donald Hagberg, president; Mrs. Florence Anderson, vice president; Mrs. Donald Mills, secretary-treasurer; Mrs. Hannah Hagberg, historian; Mrs. Anna Tutmaher, program chairman. The group was invited to return to the same home for next year's reunion.

Boys Plan Model Plane Exhibition

This year, as in past years, Warren's Model Aviation Club will put on a flying exhibition at Beatty Field preceding the fireworks display. This show will start at 7:00 p. m. and last until dusk. Air progress has been very rapid during recent years and, of course, the model airplane enthusiasts believe in keeping up to date. The miniature airplanes will be faster and much more maneuverable and some will even feature retractable landing gears.

Shown above are several of the planes that will appear. One picture shows Floyd Kifer, at work assembling a model, and the other presents a group of the planes constructed by Kifer. Many more should be completed in time for the event.

This year's exhibition will cover three main objectives. First, it will show how very simple it can be to become a model airplane enthusiast. A small, nine year old boy will fly an airplane that he built in only four hours at a cost of less than twelve dollars. This

Cuba Horse Show Of Interest Here

The Cuba Horse Show to be staged at the Valley View Stables at Cuba, New York on June 30 and July 1 will be sponsored by the Kinney Horse Company, Inc., Volunteer Firemen of Weston Mills, New York. Two full afternoons and evenings of high classed horses and horsemanship will provide entertainment for the whole family. There are thirty eight classes for hunters, jumpers, 3 and 5 gaited saddle horses, walking horses, stock horses and children's ponies of the highest calibre. Entries are expected from New York, Ohio, and Pennsylvania and there will be over \$3000 in prizes, plus trophies and ribbons.

Mrs. Emmons R. Jones has entered her stable of horses at Cuba. A great many people from Warren are planning on attending this show as it will be their only opportunity to see Mrs. Jones champion five-gaited stallion. After the

Cuba show this horse will only be exhibited in Ohio and Kentucky. Miss Sheila Carter, daughter of Mr. and Mrs. John J. Carter, 311 Poplar street, will ride her favorite mount Patricia High in three classes. Miss Carter is recognized as one of the top junior riders, and is very popular among the younger exhibitors.

River Bridge At Tionesta Repaired

Because the bridge across the Allegheny river at Tionesta was badly banged by a log on a lumber truck, traffic between Tionesta and Pleasantville and Tionesta and Oil City was detoured. Repairs were completed and the bridge restored to use after having been blocked off more than 24 hours.

The Highway Department at first permitted passenger cars to continue to cross, but stopped trucks. When the repair crew arrived all traffic was prohibited as a safety measure. Pleasantville - Tionesta traffic was rerouted via Neiltown and West Hickory. A department em-

ployee was stationed on State street, Pleasantville, starting at 3 p. m. to stop all eastbound cars and tell them about the bridge if their destination was Tionesta. Tionesta-Oil City traffic was sent via Fryburg.

Senate Investigators Probe Influence Of Racketeers in Smaller Communities

Washington, June 28—(AP)—Senate crime investigators turned aside from their narcotics probe today to try to show how interstate racketeers fasten their tentacles on the nation's smaller cities.

Reading, Pa., with a population of about 110,000, was the city to be brought under the committee's scrutiny at a public hearing.

Committee investigators spent about six weeks in Reading gathering information. Subpoenas were served on more than 30 persons, including the mayor and city councilmen, the chief of police and other officials who submitted records for examination.

A number of local religious, civic and similar groups had urged the senate committee to conduct an investigation in the city.

Chairman O'Connor (D-Md) told reporters in advance of the hearing it would serve as "a sample of how interstate crime operations are carried on in some of the nation's smaller cities."

"We think the pattern is much the same as we found it in the large metropolitan areas previously investigated," he said.

The committee, he added, wants to dispel the impression some people seem to have "that these interstate operations do not reach into the smaller cities."

Committee spokesmen said tonight that about a dozen witnesses probably would testify.

has declined to discuss it further with either Entezam or Ernest A. Gross, U. S. delegate. Today Britain instructed her delegate, Sir Gladwyn Jebb, to try to see Malik.

The Soviet Union said it had given the United States a clarification in Moscow.

Just what the clarification was the Moscow foreign office did not say, but Washington reports that the Russians told the U. S. that moves toward a cease-fire should take the form of military negotiations between the North Korean and U. N. field commanders.

The indications are that the Soviet Union wants to deal directly with the United States in this matter, by-passing the United Nations, and apparently the representatives of the nations fighting with the U. S. in Korea are willing, at least in the preliminary stages.

Obituaries

MRS. HAROLD SAMUELSON
Hilma Irene Samuelson, wife of Harold Samuelson, 311 West street, died at the home of the Anderson Sisters in Pittsfield at 12:55 a. m. today. She had been convalescing at the home of her sisters following a recent serious illness.

She was born in Pittsfield September 15, 1894, coming to Warren to make her home 30 years ago. She was a member of Grace Methodist church and of its Gleaners' Class; also of Warren Chapter No. 56, Order of Eastern Star.

Surviving besides her husband, are two daughters, Mrs. Carl Hinton, Jr., of Youngsville, and Miss Marilyn, at home; also five sisters, Mrs. Ellen Johnson, Miss Lucy Anderson, Mrs. Evangeline Rowland Pittsfield; Mrs. Harry B. Cooper, Slippery Rock; Mrs. Robert E. Brown, Corry. Besides these she leaves two grandchildren, several nieces and nephews.

Removal has been made to the Templeton Funeral Home, where friends will be received at the usual hours, starting at 7 p. m. today. Services in her memory will be held there at 3 p. m. Saturday, with the Rev. C. W. Baldwin, of Grace church, officiating and interment following in Riverside cemetery at Pittsfield.

(Titusville and Corry papers, please copy)

GEORGE HENRY KNOPP
George Henry Knopf, Warren R. D. 1, died at 11:24 p. m. Wednesday in Warren General Hospital, where he had been a patient for the past two weeks. He had been in failing health for some time and had been hospitalized on several occasions.

He was born here January 4, 1868, and had spent his entire lifetime in this vicinity. A retired farmer, he was a 50-year member of Warren Grange and had served as master of that organization.

Surviving are five children: Mrs. Louis Weinberg, Clarendon, O.; Mrs. Charles Shaffer, Vernal Knopf, Burdette Knopf and Paul Knopf, all of Warren; also 17 grandchildren and 5 great-grandchildren. His wife, Emma, preceded him in death in July, 1941.

Friends are being received at the Peterson Funeral Home and services will be held there at 4 p. m. Saturday. Col. Ralph T. Miller, Salvation Army officer from Pittsburgh, will officiate and interment will be made in Oakland cemetery.

MARTIN E. SANDEN
Martin E. Sanden, resident and merchant in North Warren for many years, died at 1:55 p. m. Wednesday in Warren General Hospital. He was admitted there about 11 p. m. Tuesday after he had suffered a heart attack at the home of his son, Boyd, in North Warren.

Born in Farmington township on March 15, 1882, Mr. Sanden was one of the best known and highly respected figures in his community. He was a member and an elder in the North Warren Presbyterian church; a member of Conewago Lodge, IOOF, at Russell; of the Warren and Forest County Past Grands' Council, and of Kossuth Encampment No. 98, both Odd Fellows organizations.

Besides his wife, Selma Anderson Sanden, he leaves five children: Boyd M. and Elvira A., North Warren; Mrs. Bertha Schroeder, Babylon, Long Island, N. Y.; Mrs. Ellen Carlson, Jamestown, N. Y.; Mrs. Mildred Garrison, Warren; also nine grandchildren; one sister and four brothers, Mrs. Sarah Wallman, Dermott, Ark.; Carl Sanden, Union City; Emil Sanden, Akeley, J. Albert and Paul Sanden, Warren.

Removal has been made to the Peterson Funeral Home, where friends are being received at the usual calling hours and from where services will be held at 2 p. m. Saturday. Interment will follow in Pine Grove cemetery at Russell.

WORKMAN INJURED

Fav Mangini, Water street, was treated early this afternoon at the emergency ward of the hospital for an injury to one finger sustained while at work.

ENLIST IN AIR FORCE—Four members of the Warren High School graduation class of 1951 enlisted in the Air Force and have left for Sampson Air Base where they will undergo basic training. They are Thomas Grillo (upper left), son of Mr. and Mrs. Thomas Grillo, 1115 Pennsylvania avenue, west; Donald Shriver, (upper right) son of Mrs. Joan Shriver, 1010 Madison avenue; John Hennessy (lower left), son of Mr. and Mrs. J. L. Hennessy, of 9 Parker street; and Lee Wiedmaier (lower right), son of Mr. and Mrs. Perry Wiedmaier, of 203 Lincoln avenue.

Birth Record

At Maternity
Mr. and Mrs. William Proctor Youngsville, a son, June 28.
In Hamot Hospital
Mr. and Mrs. Quentin Holt, Erie, are parents of a son born this morning in Hamot Hospital in Erie. Mrs. Holt is the former Mary Trusler, daughter of Mr. and Mrs. Robert Trusler, 19 Water street, and the father is also formerly of this city.

WASHINGTON'S PILOT
Blunt's Island, in the harbor at Portsmouth, N. H., was named for Capt. John Blunt, the man credited with piloting Gen. George Washington's boat across the Delaware.

Ponce de Leon discovered Florida on Easter Sunday, March 27, 1513.

INTRODUCING—VanNess Yates, who played left halfback for the 1900 Warren High School football team, and is now living in Battlesville, Okla., where he is employed by Cities Service Oil Co. He is visiting friends here for a few days. His father, George F. Ness, served as county treasurer, two terms as prothonotary and 13 years as commissioners' clerk.

Merchants Enjoy Picnic at Oakview

Warren Merchants held their annual picnic at Oakview yesterday afternoon, with several hundred persons on hand to enjoy a baked ham dinner served by the Lewis Catering Service.

A mushball game highlighted the afternoon's activities, with nobody able to agree on the final score, or whether the Liberty street gang or the Pennsylvania avenue crew were the winners.

Dancing to the music of Emmie Emerson's orchestra featured the evening's program.

a local ambulance to remove the two injured persons to the hospital.

Police have not yet been able to question the victims to learn details of the accident.

State police were also called out on another one-car accident at 10:45 p. m. when Nick Tassone, 19 Plum street, driving a car owned by H. L. Link, enroute to the merchants' picnic at Oakview, struck a guard rail on Conewago avenue extension about one-half mile from the boro limits.

No one was injured, but damage to the new Dodge car was estimated at \$350.

High School Student Hurt Fatally When Hit by Train

(From Page One)

is believed that he was on his way to that place when the accident occurred.

Claude attended the Youngsville High School and would have entered the sophomore class this fall. Besides his parents he is survived by the following brothers and sisters: George, at home; Mrs. Laura Finlan, Youngsville; Mrs. Mary Benedict, Irvine; Bernice Crippen, nurse at the Hamot Hospital in Erie. He was popular, ambitious and thrifty, having taken employment for the summer months at the service station, planning to reenter school in the fall.

Snyder Asks Three Billion More Taxes

(From Page One)

Snyder noted that the House bill would yield only \$2,847,000,000 in extra revenue from individual income taxes against the \$3,800,000,000 asked by the administration.

When Corn Is Knee High Watch for Eggs of Borer

If you plant sweet corn early, when it gets 18 inches tall begin to watch for the corn borer. Examine the corn plants every day looking for egg masses laid by the moths.

These will be small patches of translucent white, an eighth of an inch in diameter, composed of tiny round objects like fish scales, overlapping. As they develop they first turn yellow, then black.

When they hatch out, the tiny worms will eat their way toward the corn stalk, and your best defense is to have them crawl over a deposit of deadly D.D.T. This is applied as a dust or spray, but the method recommended by experiment stations is a spray. To prepare it obtain D.D.T. fifty per cent wettable powder, and stir three tablespoons in each gallon of water. Spray heavily enough to wet the corn leaves thoroughly, especially reaching the joints between stalk and leaves.

Spray three times at 5 day intervals, and your corn crop should be ninety-seven per cent safe from the borers. If your examination does not disclose any egg masses during the next twenty days, you may be safe from the first brood. But sometime in August a second brood may appear, and your defense measures must be repeated.

If you prefer to use D.D.T. dust rather than a spray, it should be at least five per cent in strength. It is not safe to assume that corn plants which have not yet made six leaves are safe from the borer. It is true that the insect prefers the larger plants, and they will get the most eggs, but the smaller ones are not immune. For the home gardener the expense and work entailed in this protection are so small, no one should neglect it. If the borers live long enough to enter the corn stalk, it will be difficult to destroy them before they kill the plant. They eat their way through the stalk and stems into the ear, and the things they do to a fine ear of corn will make a home gardener weep.

You Can Decide Whether You or the Ear Worms Enjoy Your Sweet Corn.

Do not confuse the corn borer with the corn ear worm, which is almost as bad a pest, but not so numerous. The ear worm will not attack the ears until they are in silk, and the best protection against it is to fill a clean oil can with mineral oil and put a few drops on the silk of each ear. A special oil preparation can be obtained for this.

Plans for 1952 Commencement Exercises Are Discussed by Board of Education

Warren High School commencement-report of bills paid from the activities fund for 1951 may seem a long way in the future, but the board of education has already authorized Principal Floyd W. Bathurst to invite Dr. Will W. Orr, president of Westminster College at New Wilmington, to deliver the principal address.

This action and many others looking to the school term of 1951-52 occupied board members in a very busy postponed June session held in the high school.

In the report of estimated enrollment for September, the teacher load for elementary grades was shown to be 29.6, a gain of 42 pupils over last September and accounted for by increased kindergarten registrations. The same report showed a loss of 30 pupils at Beatty Junior High and the same gain at the high school.

Included in many items comprising the summer program, approval was given the school district's portion of the borough's street-oiling program, allotting \$56.51 at Lacy, \$79.62 at Home street, \$10 at Seneca, and \$21.60 at South street.

Also approved were contracts with John Zandi for blacktopping and repair of the concrete at the rear of the Lacy building; King Keystone, for repairs at the high school; repairs to hardware, stokers, coal hoppers; examination by C. Beckley of panel boards at high school and Beatty; and recommendations for changes; purchase of a tandem lawn mower and sulkey for the Beatty Field mower; purchase of additional aluminum scaffolding for maintenance work and employment of Jerome Paul as maintenance man for the school district; installation by Student Council of a memorial plaque at the high school for World War I and II veterans; additional dish-washing equipment for the high school cafeteria; additional lighting at Lacy; repairs and installation of lighting at East; and lighting repairs at the two high schools; folding doors for Beatty library; and a variety of repairs in all buildings.

The textbooks and supplies committee included in its recommendations financing of correctional service, \$20; reconditioning of movie projectors at \$32 each, plus parts; purchase of 32 tonettes for McClintock; paint, \$291.52; music, \$644.20; plumbing supplies, \$245.53.

Other financial matters coming in for a good share of attention included approval of current bills amounting to \$12,144.50 and the

Receipts from the state included \$78.88 in tuition reimbursement; \$1,304.45 and \$1,294.63 for May and June lunch programs; \$54.16 for transportation of handicapped pupils. In addition, \$64 was received from Penn State for evening class rental.

A budget transfer of \$19,558.59 authorized was largely due to the fact that work on the Home street addition was not completed and paid for in the previous fiscal year and by pre-purchases of school supplies for the coming year. The sum of \$31,285.50 was authorized paid into the sinking fund.

Items approved for payment included \$105.13 insurance for the driver training car; substitute salaries of \$753.39 and \$232.75 for May and June; special services, \$340.38 and \$738.75 for the same periods; janitors' overtime of \$188.90 and \$327.70 for May and June.

Cafeteria reports showed small balances of \$149.07 at the high school and \$300 at Beatty, with milk program losses as follows in the grade buildings: East, \$53.84; Home, \$132.32; Johnson, \$93.84; Lacy, \$41.50; McClintock, \$189.92; Seneca, \$33.90; South, \$37.24. The net operating loss for the current year stood at \$133.47, with a total balance of \$1,468.69 since the program began six years ago. Bills for May and June totaled \$5,724.48.

Dental reports for May-June, showed the doctor had examined 1,582 pupils and 170 sodium fluoride treatments were given in addition to those given at Beatty.

Other reports heard included attendance, promotions, delinquent taxes and their collection, and excused employee absence.

The board gave its approval of James Springer's attendance at the National Safety Congress sessions in October and gave permission to coaches for attendance at an Edinboro football clinic in August.

Dr. Whipple's attendance at the following were authorized: Superintendents conference at State College, July 31, August 1-2; Educational Congress in Harrisburg, September 27-28; PTA convention, Harrisburg, October 29-31; district superintendents' conference, Bedford, November 8-9; PSEA meeting, Harrisburg, December 27-29; National Association of School Administrators, Boston, April 5-9.

SUBPOENAED — In an unprecedented move, the Senate crime investigating committee had a subpoena issued for Gov. Fuller Warren of Florida to compel him to testify. Warren was the first official actually ordered by law to appear before the committee. They declared that "he has the sort of information this committee is interested in."

SPECIAL DELIVERY—Smoky, only Dalmatian mascot for firemen in Cincinnati, places an order with bakery shop worker Ann Rowe. When she fills it, Smoky will deliver it to his buddies at Fire Company 46. The dog also has a racket of his own. He picks up pieces of paper in the street and runs into the bakery with them. The stunt is always good for a cookie.

A London curiosity shop exhibited a teapot with three spouts, permitting the pouring of three cups of tea at one time.

The Canadian and British barrel is 35 imperial gallons, with the gallon being equal to five American quarts.

Remind Veterans Three Dates

Former servicemen of this locality are reminded of three important deadlines by officials of local Veterans Administration office.

Expiration date of authority to authorize the purchase of automobiles for certain disabled veterans is at 1 a. m. (DST) June 30. A law authorizes the Veterans Administration to approve an application for an automobile for disabled amputee veterans who have the use of a leg or a foot as a result of service in World War. These veterans are requested to contact the nearest Veterans Administration office on or before close of business on June 29.

Another date for all GIs to remember is the final date on which they can enter a course of education or training under the GI Bill. For all veterans the date of July 25, 1951, is the date they must be entered and entered into a course of training. Veterans are urged to contact the V. A. office as soon as possible should they not be thoroughly familiar with the final date.

It is possible to reinstate and revert National Service life insurance on or before the date of re-employment. All veterans interested in reinstating or converting their S. L. I. and in being certain of their rights and privileges should contact the V. A. office at once.

"EASY" DOES IT—Capt. Lewis L. Millett—known as "Captain Easy" to his men—will receive the Congressional Medal of Honor for leading a three-man attack on a Communist-held Korean hill and killing 18 Reds with bayonets. The 30-year-old New Bedford, Mass., officer is pictured relaxing shortly after his heroic action.

Y.M.C.A. Boys Are Having Great Time At Lake Erie Camp

Reports coming back from Camp Sherwin on Lake Erie indicate that everything is shipshape with the delegation of Warren YMCA campers which took off for that recreation spot on Sunday afternoon.

The chartered bus which left the "Y" here about one o'clock Sunday arrived at the camp site about four, with parents bringing other boys in family cars.

First meal at camp was served at 5:30, followed by a devotional period and a movie shown in the Camp Lodge.

On Monday, campers got into their full scale program, with morning, afternoon and evening periods interspersed with swims in the lake and more movies at the Lodge. The camp staff and counselors have arranged for a TV set for the two-week camp and this entertainment, along with stunts for initiation of new campers, kept the boys amused until "Taps" were sounded at 10 p. m.

Tuesday's schedule was much the same, with the Senior group enjoying a canoe trip along the lake.

While camp was visited by a light shower Sunday afternoon and Monday was a bit cloudy, good weather prevailed yesterday to add to the delight of the approximately 100 boys from Warren and vicinity enjoying the outing.

MENU SUGGESTIONS

BY GAYNOR MADDOX
NEA Staff Writer

LOOKING for 4th of July favors the guests can eat and enjoy? Well, here's the answer—smooth patriotic drums filled with marshmallow, together with peppermint stick and maraschino cherry drum sticks.

Vanilla Mallow Drum
(Makes 6 servings)

Two egg yolks, slightly beaten, 1 cup milk, 1/4 pound marshmallows (about 18 marshmallows), 2 egg whites, dash salt, 1/2 pint heavy cream, whipped, 1/2 teaspoon vanilla, 6 peppermint candy sticks (5-inch lengths), 12 maraschino cherries.

In a saucepan, combine egg yolks and milk; blend well. Add whole marshmallows. Place over low heat until mixture is slightly thickened and marshmallows are almost dissolved, stirring constantly. Remove from heat and continue stirring until marshmallows are dissolved. Chill. In a bowl, beat egg whites and salt until stiff. Fold in chilled marshmallow custard, whipped cream and vanilla. Pour mixture into six waxed paper cups (about 1/2 cup size). Freeze in frozen food compartment of refrigerator until firm.

To make drumsticks: Break candy sticks into 2 1/4 inch lengths. Place maraschino cherry on one end of each small stick. Cross two cherry sticks on top of each frozen drum.

To make paper cup drum: With lengths of red cellophane tape, edge the rim and base of the cup. Cross strips of tape around the middle of the cup to resemble a drum. If red cellophane tape is not available, water colors or colored pencil may be used.

Firecrackers with a bang-up good taste.

Marshmallow Firecrackers
(Makes 6)

Twenty-four marshmallows, 6 peppermint candy sticks (5-inch lengths), 1 1/2 sheets 8 x 10 red construction paper.

To make each marshmallow firecracker: With a skewer, dipped in hot water to prevent sticking, punch a hole through the centers of four marshmallows. Insert a five-inch peppermint stick through the stack of four marshmallows, arranged flat sides together. About a 1 1/2 inch length of candy stick serves as the firecracker fuse. With a scissors, cut a 4 x 5 inch rectangle from a sheet of red construction paper. Wrap the rectangle around the marshmallows to form a tube and secure with Scotch tape. Stand in upright position as a firecracker.

TOMORROW'S MENU

BREAKFAST: Orange and lime juice, scrambled eggs with chopped chives and cheese, enriched toast, butter or fortified margarine, tart jelly, coffee, milk.

LUNCHEON: Tuna and celery salad, lettuce, sliced tomatoes and cucumbers, French bread, butter or fortified margarine, gingerbread cup cakes, tea, milk.

DINNER: Cream chowder, crackers, cold cuts, potato salad, chilled tomatoes stuffed with vegetable salad, enriched rolls, butter or fortified margarine, vanilla mallow drums, iced coffee, milk.

Floridin Hands Sons of Italy 1st Defeat; Ironmen Also Win

Floridin Company handed the Sons of Italy their first defeat 13-4, in Sunset Baseball league competition last night, while Hammond Iron edged past the Suppa Studebakers from Youngsville, 7-6.

The Floridin-Sons of Italy game was played at Jackson field, with Carl Falvo working on the hill for the winners. He struck out eight men, walked two, and scattered eight hits over the route. Falvo also got three hits, one of them a double, in four trips to the plate, scored two of the runs himself, and batted in two others. Foley, Floridin first sacker, also had a big night at the plate, getting three singles in three chances, scoring two runs himself, and batting in three more.

Schneider started on the mound for the Sons of Italy, but he was driven to the showers in the second frame when Floridin unhooked a seven-run spurge. Hines took his place but the damage already had been done.

Castagnino was top stockman for the Sons of Italy, getting two doubles and a single in four trips. He scored one run and batted in two others. McGuire also had a double and Campman slammed a triple for the Sons of Italy.

The Hammond Iron-Youngsville game was played at the State Hospital field. The Ironmen scored three runs to tie up the score, 6-6, at the end of six innings. Youngsville had a goose-egg for their half of the final inning. Winning run for Hammond came in the bottom half of the seventh when Reese slammed a triple and Massa followed it up with a single. It was Massa's fourth hit (three singles and a double) in four

chances. Ananes had two for four for Suppas.

Baker was the winning pitcher. He struck out nine men and allowed five safeties, including a triple by Trask. Barrett, Youngsville hurler, fanned seven men and was nipped for 10 hits, including triples by Reese and Baldensperger.

Allie Reynolds Picks Up Third Straight Shutout for the Yanks

The hottest hurler in the majors today is Allie (Wahoo) Reynolds, the part Indian right-hander from Bethany, Okla., who toils for the New York Yankees. Last night he racked up his third straight shutout as the Yanks whipped the Washington Senators, 2-0, on five hits.

The victory plus Detroit's 3-1 win over Chicago enabled the Yankees to climb to within one game of the American League leading White Sox. The third place Boston Red Sox also closed in on the leaders with a 6-5 victory over Philadelphia's Athletics and are now three games off the pace.

Brooklyn's National League leading Dodgers crushed the New York Giants, 10-4, to widen their margin to six games over their interborough rivals. The St. Louis Cardinals walloped the Chicago

Six Golfers Crack Par in PGA Event At Oakmont Club

Oakmont, June 28—(AP)—The ogle of Oakmont is no more.

This historic course, which down through the years has withstood the onslaughts of the world's finest golfers to become noted as the nation's toughest test, has finally taken a beating.

Oakmont's old man Par—he's 72—yielded to a half-dozen of the 140 starters in yesterday's opening qualifying round in the 33rd PGA championship, and five others in the fast field finished even with him.

Out front by two strokes with a 34-35—69, despite losing two strokes on the 15th hole, was big Jim Ferrier, the Australian-born San Franciscan who won in 1947. That's the first 69 manufactured here in a National tournament since Al Espinosa did it in the final round of the 1927 National Open—along with other rounds of 83, 80 and 79.

Two strokes back with 71's as they went into today's second 18 holes to pick the 64 match play entrants were such luminaries as defending champion Chandler Harper of Portsmouth, Va.; Lloyd Mangrum, the dapper former National open king from Chicago; Lew Worsham, host pro and former open champion; Walter Burkemo, 32-year-old Franklin, Mich., entrant participating in his first PGA, and Ed (Porky) Oliver, the pudgy and popular Seattle, Wash., star who fired eagles on the first and 17th holes to land among the elite.

The National opens played here in 1927 and 1935 were won with scores of 301 and 299. But it looks as if 140 or so might win the medal today, and that 152-54 might be necessary to get into the championship bracket.

Toby Lyons, former pro at the Conewago Valley Country Club, posted a 37-36—73 card for the 18-hole qualifying round.

MIDDLE ATLANTIC LEAGUE

The Middle Atlantic League cellar dwelling Oil City Refiners beat the leading Erie Sailors 6-1 last night to score their first win over the Sailors this season.

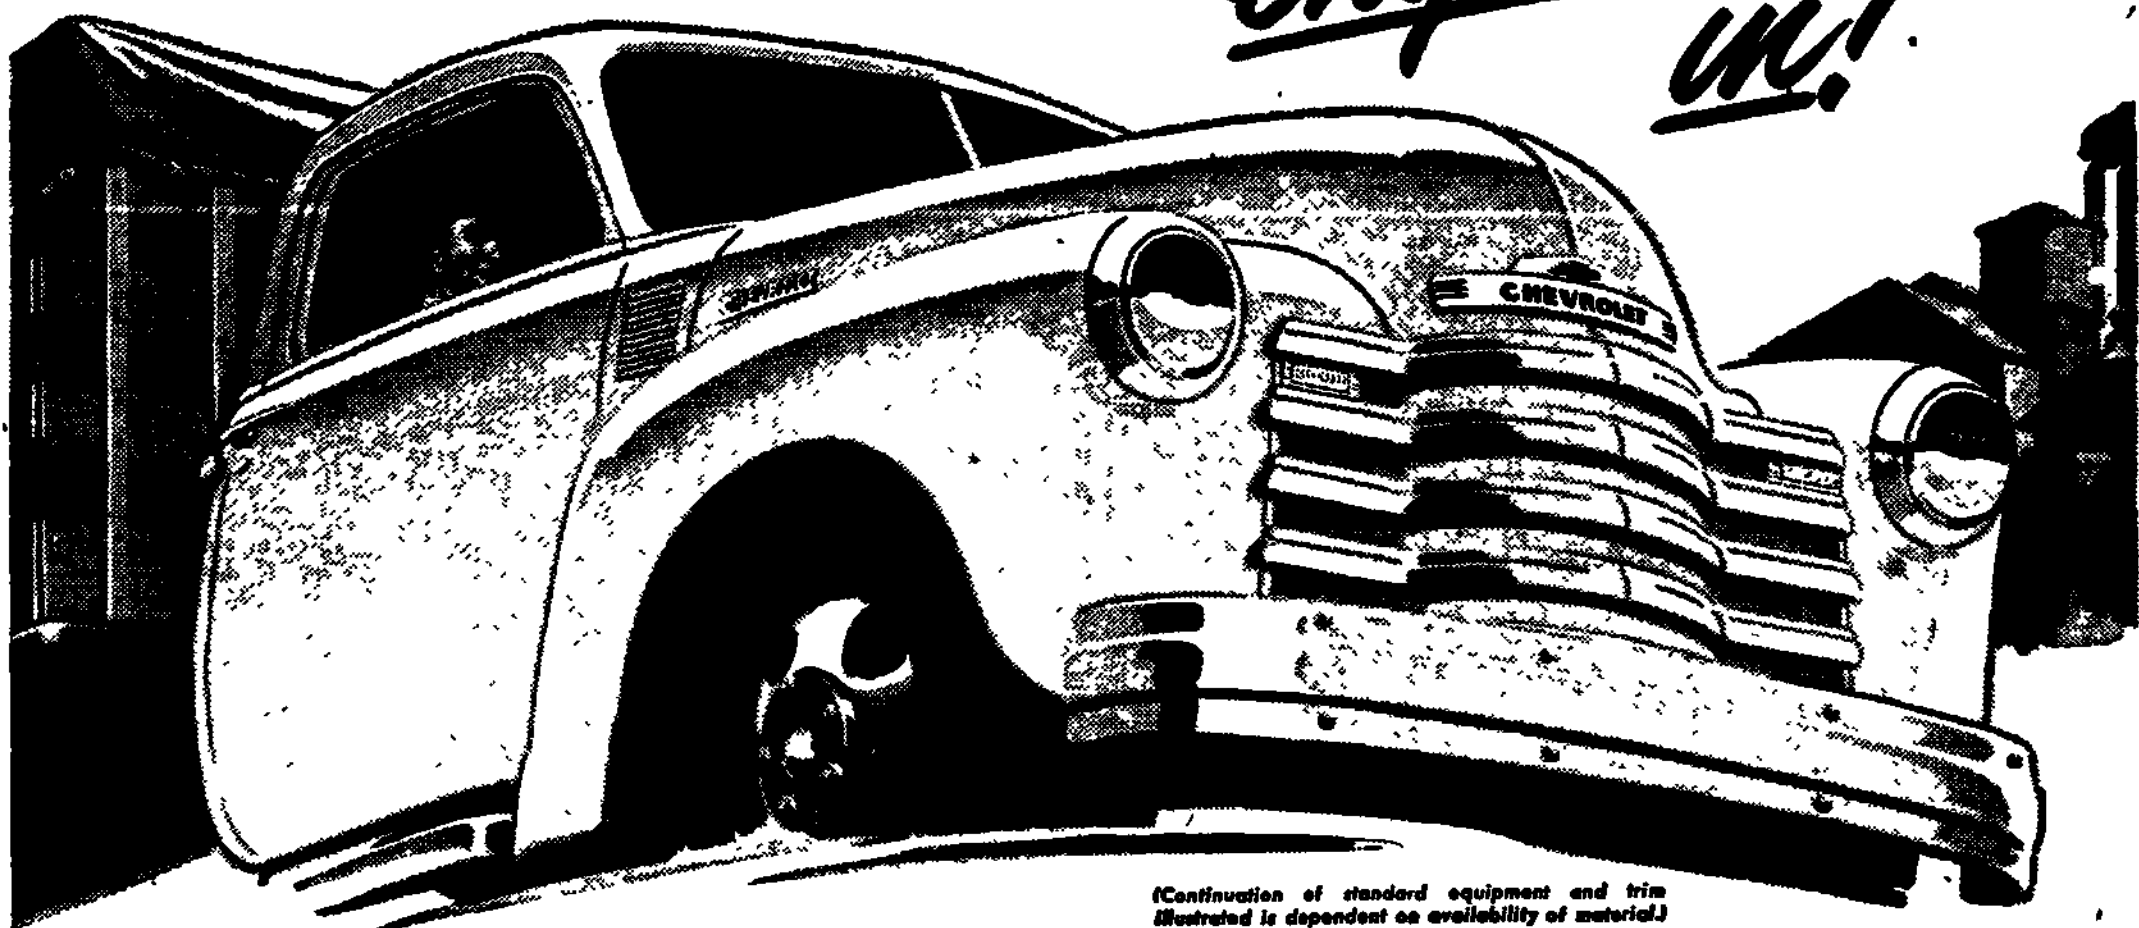

Ralph Groves hurled a two-hitter for the Refiners in a game called in the sixth because of rain.

The New Castle Indians trounced the Lockport Locks 8-4 to tighten their grip on third place. Walter Kowalski homered with two aboard for the Indians.

Butler cashed in on an eighth inning error to end a 2-2 tie and beat Niagara Falls 3-2.

OUTDOORS

Game Protector George W. Miller, headquarters Marienville, tells this story attesting to the little uncertainties of his calling.

"On the 25th of April, shotgun in hand, I walked into the Cherry Run section to make a final check on a turkey feeder. Two crows appeared, flying toward me. I ran to hide in small hemlocks nearby, so that the birds would continue into gun range.

"I think ten years of my life were cut off when I jumped into the evergreens. Immediately, there was an awful racket and a grunt behind me. Swinging around, I saw a bear take off."

Miller, who is as big and husky as a bear, had the courage to confess: "My interest in crows and turkey feeders suddenly hit a new low!"

Studies pertaining to natural resources are integrated throughout the general course of instruction taught in Pennsylvania schools.

However, the progressive school authorities of Warren, are the first to place conservation, as a subject, on the accredited curriculum for this fall. Attesting to the popularity of the course, thirty students have already registered for this optional subject.

The Warren Field and Stream Club was instrumental in promoting added conservation education in the schools, and high school principal Floyd W. Bathurst was most receptive to the idea. The sportsmen generously coupled their original promotion with a success requisite; they pledged payment of a Warren High School instructor's expenses at this summer's Conservation Education Laboratory for teachers at State College.

There the teacher will acquire considerable basic information on the natural elements—soil, water, timber, wildlife, and minerals. This will broaden his knowledge so that he will more aptly impart to his students the fundamental facts concerning all the natural resources that have made this nation

remain a free and prosperous people.

Game Protector George H. Burdick, Tidoute, was pleased to report a fine example of cooperation that promises desired results. He tells: "At their last meeting, the Spring Creek Gun Club voted to plant several plots of grain for game feed."

"They received permission from several farmers in their area to use some of their old fields for this purpose. Some of the farmers even agreed to donate their equipment for the plowing and planting. Some of our best ringneck cover is in that area, where a large number of these birds were fed last winter by members of the Spring Creek club."

Murphy Scores TKO Over Jake LaMotta
New York, June 28—(AP)—Irish Bobby Murphy, the fight ex-sailor with the golden gloves, scored a technical knockout over the light heavyweight titleholder, boxing's latest boxoffice sensation, and the pugilistic hit of television, set the stage for a crack at champion Joey Maxim by battering and slicing the Bronx bull's swarthy features before 21,257 roaring fans at Yankee Stadium last night. The gross gate was \$116,000.

The smiling, red-haired slug boxing's latest boxoffice sensation, and the pugilistic hit of television, set the stage for a crack at champion Joey Maxim by battering and slicing the Bronx bull's swarthy features before 21,257 roaring fans at Yankee Stadium last night. The gross gate was \$116,000.

Garland Visited By Members of Historical Group

Garland, June 28—Mrs. James Ramsey, Mrs. Robert Israel and Mrs. William Vogt, Warren, were in Garland Monday in the interests of the Warren Public Library Historical Group.

Norman Taylor took them down to inspect the old Whitestown cemetery, possibly one of the oldest in the county. They also visited the old building near the cemetery which was at one time the Presbyterian church; and the old Horn homestead, said to be the oldest building in the county. Snapshots were taken and much interest manifested by the group.

An effort is being made to cut the brush on the old cemetery plot and make it more presentable and accessible to visitors.

Mr. and Mrs. Milton Healy had as Sunday guests, Mr. and Mrs. George Ronan, Oil City; Mr. and Mrs. Michael Graham, Warren; John Healy, Lewistown.

Mr. and Mrs. Arthur Kane had the following Sunday guests: Mr. and Mrs. Charles Ingram, Mr. and Mrs. Arthur Ingram, Mr. and Mrs. Ray Zimmer, all of Erie.

Joan Green is a patient in the Corry hospital.

Daniel Black of the U. S. army spent a short time visiting his mother, Mrs. Archie Tiesler, and other relatives in town over the weekend.

Mr. and Mrs. Chris Lund has returned from a Cleveland visit.

Mrs. Merle Sandrock is enjoying the visit of her two grandchildren, Donna and Homer Frampton, East Hickory.

Roman Leofsky and Mrs. Ed Williams had birthdays June 27th. Their friends extend best wishes.

Mr. and Mrs. John Taylus have returned from a motor trip to Detroit.

Wilber Danielson of the U. S. Navy, and his wife are visiting his mother, Mrs. James Conington and family.

Mrs. Russell Smith, accompanied her sister, Myrtle Norman, to Corry Thursday, where the latter took possession of a new Buick and drove it home.

Dr. Froot has been in the village calling on parishioners.

Garland's retired gentlemen are doing a bit of painting in the community. Mr. Lund is busy on the Brastow home and Charles Briggs, Sr., is painting the house formerly occupied by the Wayne Fish family but owned by Mr. H. G. Irwin.

Raymond Tripp has been doing his haying between showers.

Mr. and Mrs. H. G. Irwin are entertaining guests from England.

The Misses Ethel and Laura DeForest, Warren, visited Miss Myrtle Norman at her home in Pittsfield this week.

BARNES

Mr. and Mrs. Harry Shaw were dinner guests at the home of Mr. and Mrs. Will Duck in Kane Sunday.

Sherman Grubbs is expected home soon from Warren General Hospital, where he has received treatment for a knee injured while at work on the Bramer lease. Mrs. Grubbs started home Sunday from Louisiana where she has been visiting for the past few weeks.

Mr. and Mrs. A. S. Nichols and Mrs. Della Ewings, Barnes. Mrs. Mable Cunningham and Shirley Cunningham, Sheffield, attended a dinner and reception at the home of Mr. and Mrs. Harrison Dehner in Leeper, honoring Mr. and Mrs. Alfred Gilbert, newlyweds. Mrs. Gilbert, before her marriage last Thursday, was Betty Lou Dehner.

NOTICE

Sealed bids will be received by the Town Council of the Borough of Youngsville, Pennsylvania, at an adjourned regular meeting of said Council to be held on the ninth day of July, 1951, at 7:30 o'clock, P. M., E.S.D.T., for the purchase of the following:

(a) One thousand (1000) feet of four inch (4") water line cast iron pipe or

(b) One thousand (1000) feet of four inch (4") transit pipe with necessary collars and gaskets.

In accordance with plans and specifications on file in the Office of the Borough Secretary.

Delivery of the above to be made f.o.b. Youngsville, Pennsylvania, with all taxes and transportation charges paid, within sixty (60) days after the award of said bid.

Each bidder may make a bid for the sale of either of the kinds of pipe above mentioned, or may make alternate bids for both said kinds of pipe.

Each bid must be accompanied by a certified check of the bidder for ten percent (10%) of the amount of the bid as a guarantee that he will enter into a contract for the furnishing of the materials specified, if the bid is accepted.

The Town Council of the Borough of Youngsville reserves the right to reject any and all bids.
